Dearest Sneha,

I am so happy to know that you have been awarded with Best Student of the Year award across Delhi CBSE schools for the academic year 2018-19. A very big congratulations to you on this achievement. It came as a surprise to me when I came across this amazing news in the newspapers yesterday. I must say that it is truly a big achievement and explains all your hard work and dedication you have put into your studies as well as extra-curricular activities. I feel I am so lucky to have a cousin like you who is making the family proud.

Since the times you were a young girl, you have always been so disciplined and focused with your studies and school and today your success is the result of all the sacrifices you have made for all these years, all the hard work you have put in for so many years. We all know that one day you will do something extra-ordinary and the story of your success has just started. We are sure that you will give us many more opportunities to congratulate you in years to come.
