Cotton Candy Wishes Kristina Springer,2019-01-01 Is achieving the social status of your dreams really all that sweet Taylor wishes she were popular It s not like she doesn t have any friends but when she tries to throw a giant cotton candy themed birthday bash it ends up a huge flop no one shows up So when her dad gets a new job and they have to move Taylor sees it as an opportunity to reinvent herself As luck would have it in the first week of her new school she s partnered on a project with the queen bee of seventh grade herself Elle Soon she s one of the popular crowd She s even on her way to a date with the cutest boy in school All her dreams are coming true But Taylor starts to learn that being with the in crowd involves a lot of gossip and backstabbing and she realizes that her favorite part of the day is actually hanging out with Colin her nerdy math partner However Elle is not a fan of Colin and ultimately Taylor has to choose between them Will she risk alienating Colin and his friends to maintain the social status she always wished for

Remembrances in Black Charles F. Robinson II,Lonnie R. Williams,2015-02-20 With the admittance in 1948 of Silas Hunt to the University of Arkansas Law School the university became the first southern public institution of higher education to officially desegregate without being required to do so by court order The process was difficult but an important first step had been taken Other students would follow in Silas Hunt s footsteps and they along with the university would have to grapple with the situation Remembrances in Black is an oral history that gathers the personal stories of African Americans who worked as faculty and staff and of students who studied at the state s flagship institution These stories illustrate the anguish struggle and triumph of individuals who had their lives indelibly marked by their experiences at the school Organized chronologically over sixty years this book illustrates how people of color navigated both the evolving campus environment and that of the city of Fayetteville in their attempt to fulfill personal aspirations Their stories demonstrate that the process of desegregation proved painfully slow to those who chose to challenge the forces of exclusion Also the remembrances question the extent to which desegregation has been fully realized

Goodbye Leederville Oval: History of West Perth Cheer Squad 1984-86 Kieran James,2017-12 This book details the author s experiences as co founder of West Perth Football Club s unofficial cheer squad from 1984 to 1986 The book describes traditional hot support for West Perth Football Club among teenaged supporters from middle class and working class backgrounds The author shows how because of neo liberal ideologies and the corporatization of football the new national league the expanded VFL AFL relegated the WAFL to a second tier league in 1987 This move took place over the heads of ordinary football supporters and two WAFL club presidents Moves to bring the game closer to the people in 1984 such as holding the best and fairest award count night at Perth Entertainment Centre should be seen in this light This book will allow supporters to relive great teams great players and great matches from a wonderful era in WA football 1984 86 before West Coast Eagles joined the expanded VFL AFL
