close In 1985 the Bdoul began a move to the nearby village of Umm Sayhoun as directed by the Jordanian government This first hand account of life in a cave at Petra based on diaries Judith kept at the time she lived among the Bdoul is therefore important as a record of a lifestyle now largely vanished As she writes in her introduction I spent so much time socializing with the Bdoul I came to observe many aspects of Bdoul life in a series of visits over three main field seasons As women we had access to the world of young girls and women which men from outside did not while we were also sometimes treated as honorary men This memoir thus stands as a reminder of life at Petra before the arrival of modern day tourism at the site But this book is not only a memoir Observations are made on the ways in which the Bdoul have adapted to their new environment Changes at the site that have taken place since 1981 because of weathering and erosion are recorded through comparisons between photographs taken forty years ago and more recent images Ramifications of the expansion of the tourist industry at Petra in the 21st century are also considered Life in a Cave in Petra with the Bdoul 1981 1986 is therefore an important and essential volume on the archaeology and history of one of the best known ancient sites in the world *Adult Catalog:*
