 American Economic Association,1956 **The Gold Way To Freedom and Prosperity** Dimitry Krasil,2018-06-18 Do you
 still think that Governments serve ordinary people Think again and Gold Way to Freedom and Prosperity by Dimitry Krasil is
 going to be a big help The goal of this book is to take a closer look at the modern monetary system and to reveal its most
 glaring contradictions This before and after approach will show you the reader that what you perceive and use as money is
 designed in such a way that the wealth created by the economy truly benefits only large banks and multinational
 corporations However during the times of the Gold Standard it was the other way around the system was put in place to
 benefit the actual wealth creators the workers who later became pensioners and state benefactors Storing wealth in times of
 the Gold Standard was supposed to be a straightforward and pleasant task One could plan one s future for decades to come
 the family fortune was secured behind the massive bank vault doors Paraphrasing Du Bose Heyward s lyric for the famous
 George Gershwin song living was easy Gold Way to Freedom and Prosperity is a compelling narrative discerning the reason
 behind the double standards of the post Nixon shock banking system The book will uncover the exact reasons why
 unemployment was practically nonexistent before the 20th century why now it is a prevalent factor of the world s economic
 layout and what needs to be done to eradicate it But the most important aspect of the book is the realization that none of the
 paradigms the book explores has to remain unchanged and surprisingly the big banks and the working class may and should
 coexist peacefully under the decentralized currency umbrella I will show you a few tweaks that may be easily performed with
 even a loose consensus between parties so that the world begins to heal itself **Marketing, 1776-1976 and Beyond**
