Research Anthology on Social Media Advertising and Building

Consumer Relationships Management Association, Information Resources, 2022-05-13 Social media has become a key tool that businesses must utilize in all areas of their practices to build relationships with their customer base and promote their products. This technology is no longer optional as those who do not take advantage of the many benefits it offers continue to struggle with outdated practices. In order for businesses to flourish, further study on the advantages social media provides in the areas of marketing and developing consumer relationships is required. The Research Anthology on Social Media Advertising and Building Consumer Relationships considers best practices and strategies of utilizing social media successfully throughout various business fields to promote products, build relationships, and maintain relevancy. This book also discusses common pitfalls and challenges companies face as they attempt to create a name for themselves in the online world. Covering topics such as marketing, human aspects of business, and branding, this major reference work is crucial for managers, business owners, entrepreneurs, researchers, scholars, academicians, practitioners, instructors, and students.

Entrepreneurship Marketing Sonny Nwankwo, Ayantunji Gbadamosi, 2020-02-26 Small and medium-sized enterprises (SMEs) dominate the market in terms of sheer number of organisations, yet scholarly resource materials to assist in honing skills and competencies have not kept pace. This well-renowned textbook guides students through the complexities of entrepreneurship from the unique perspective of marketing in SME contexts, providing a clear grounding in the principles, practices, strategies, challenges, and opportunities faced by businesses today. SMEs now need to step up to the terrain of mobile marketing and consumer-generated marketing and utilise social media marketing tools. Similarly, the activities of various stakeholders in SME businesses like start-up accelerators, business incubators, and crowdfunding have now gained more prominence in SME activities. This second edition advances grounds covered in the earlier edition and has been fully updated to reflect this new dynamic business landscape. Updates include: A consideration of social media imperatives on SME marketing; Discussion of forms of capital formation and deployment for marketing effectiveness including crowdfunding; Updated international case studies drawn from diverse backgrounds; Hands-on practical explorations based on real-life tasks to encourage deeper understanding. This book is perfect for students studying SMEs Marketing and Enterprise at both advanced undergraduate and postgraduate levels as well as professionals looking to obtain the required knowledge to operate their businesses in this increasingly complex and turbulent marketing environment. *Managing Social Media Practices in the Digital Economy* Alavi, Shirin, Ahuja, Vandana, 2019-12-27 Social media platforms are powerful tools that can help organizations to gather user preferences and build profiles of consumers.
