

# Investing In A Roth IRA

There are three basic options **when it comes to opening a Roth IRA**. You have a bank, a mutual fund company or a brokerage firm.

3 Options

Low Fees

**At a bank**, the fees may be low, but the investment options may be limited to CDs and money market accounts.

**Buying a no-load mutual fund** directly from a mutual fund company can be efficient, but that's only if you're interested in owning a few funds.

Efficient

Access

**A brokerage account** will let you access any type of investment from one account, but there may be annual fees and transaction costs that you've got to contend with.

**Most Roth IRA accounts can be opened online**, through the mail or in person. For speed and convenience, going online cannot be beat.
