**What does a Side Chick Offer That the Main Girl Can't? Main Girl Take Notes** TJ Clemons, A lot of women get mad when they find out that their spouse or significant other has had a woman on the side for years But my question is do they bear any responsibility for the actions that led to their man seeking the affections of a mistress or lover Most will disagree with this notion but they may have played a part in his indiscretions Let me explain it in a way that might make better sense to you When a man and a woman get together in the beginning everything is magical and exciting Over time women get comfortable and set in their ways Men can also be guilty of the same thing Now that magical feeling is starting to lose its effect They slowly start growing

apart but they still love each other Then another woman comes along and notices how good of individual your man is They desire the treatment that he is giving you and then they decide to get his attention So now the chase is on She does everything in her power to win him over and make him her man The fact that he already has a wife or girlfriend only fuels her desire to obtain his attention and affections He is the prize and she will do almost anything to claim the object of her burning desires She will give her body to him in any way that he requests Now you may ask what does that have to do with his wife or girlfriend Along the way the passion in their relationship isn't what it once was Now another woman is stepping in and giving him the attention and sexual satisfaction that he used to share with his wife or lover Relationships need to be nurtured and maintained And when they are not outside interference may come in wreak havoc This is exactly how affairs get started Once that flame is out a new spark can ignite flames of passion and intimacy A man starving for attention is an easy target for a friendly female seeking his undivided attention This friendly female is now making herself available to your man and catering to his every want need and craving with detailed execution You may not want to hear this if you are his wife or girlfriend but you might learn a thing or 2 from his side woman so pull up a chair and start taking notes This advice might just save your relationship and give you a better idea how to treat your man Many females consider this topic to be very respectful but if you are open to receiving information then it can give you a better understanding on where your current relationship can use some improving Information is power Push your ego to the side because you are going to learn something today You are going to learn what his side chick has to offer him that you are not providing him at home

**Let Me Tell You Exactly Why Side Chicks Are Winning** TJ Clemons, This will always be a trending topic I have my own personal views on this subject that I plan on sharing in full detail Because many women have experienced the effects of the other women destroying their lives and marriages they may not take an objective view I completely understand and will whole heartedly be sympathetic and take their feelings into consideration There is obviously at least 3 sides to the story of a love triangle and I intend to give all of their perspectives a thorough evaluation This will get complex but I will break it down into small portions so that everyone can digest it from their own individual levels of comprehension So let's take a journey into the realm of the realities of getting caught up in a love TKO It is my opinion that serious committed unions are a product of the individuals involved Meaning that you can only get out of a relationship what you put into it It is a work in progress Some members wake up late never show up on time and don't put any work into it at all While others clock in early be productive and show pride in their accomplishments It is a team concept The goal is to build a solid team that can overcome all of the obstacles put before them It is never easy and full of all of the challenges that life has to offer There is beauty in taking on these encounters as a fully functional unit and working as a couple to take on the world while becoming a championship caliber contender This just doesn't happen overnight It takes years of getting to know each other intimately and intensely Here is where things get even more complicated When another

man or woman gets added to the equation For the purpose of this conversation we are going to discuss the other women which is commonly referred to as a side dish She is an unwanted distraction to the female participant in this scenario because it was never her intension to share him with another member of the female persuasion or be replaced by her for that matter Her introduction was unwanted and unnecessary She can only cause a separation or destruction of the entire structure that you worked diligently in building with him The competitive nature is alive and transforming the entire concept of what was once a loving commitment into an Olympic event with several opposing forces Some women concede and move on to the next admirer while others lock horns and duel for his affections However things play themselves out it will never be as it was before the act of betrayal Women are getting more and more frustrated with the lying and cheating ways of their male counterparts They may realistically feel as if they are fighting a losing battle This is something that I often overhear in passing Apparently side chicks are winning the war Never a Wife Always a Side Chick 2 Viola Monreaux,2019-06-30

*Set Boundaries* John H Weaver,2022-11-24 It s in our faces every day what married men are doing with women who are not their significant others While some men indulge in flings or one night stands with strangers or prostitutes with no strings attached others prefer to keep side chicks for reasons best known to them For the longest time ever cheating has been an issue that women have always cried out about with their partners having side chicks mistresses and other women threatening the existence of their relationship Sex may seem to be the ultimate reason most men see other women but to some having a side chick is more than just sex Please spare me the sermon in which I encourage people who are already aware of the implications of their actions I m not your preacher imam or moral compass It is my responsibility to open your eyes and minds in this book *Set Boundaries Setting Boundaries With Side Chick Find Peace In Your Marriage* so that you don t blindly further damage yourself Learn not to step over some boundaries because keeping a side chick may be highly expensive and dangerous as well **The Unintentional Side Chick** Authoress Autumn,2018-01-11 Side Chick The other
