Constant State Of Leaping:

The Leap Steve Taylor, 2017-02-14 What does it mean to be enlightened or spiritually awakened In The Leap Steve Taylor shows that this state is much more common than is generally believed He shows that ordinary people from all walks of life can and do regularly wake up to a more intense reality even if they know nothing about spiritual practices and paths Wakefulness is a more expansive and harmonious state of being that can be cultivated or that can arise accidentally It may also be a process we are undergoing collectively Drawing on his years of research as a psychologist and on his own experiences Taylor provides what is perhaps the clearest psychological study of the state of wakefulness ever published Above all he reminds us that it is our most natural state accessible to us all anytime anyplace The Bold Leap: How to Take Action Despite Fear and Uncertainty Silas Mary, 2025-02-05 The Bold Leap is all about taking decisive action even when fear and uncertainty are holding you back This book provides a step by step approach to overcoming hesitation building confidence and taking the leap toward your goals Whether you re facing a major career change pursuing a passion project or making a personal transformation this book helps you embrace fear and take bold action By focusing on courage mindset and resilience The Bold Leap encourages you to move forward with confidence and achieve success despite the unknowns
