Consumer Guide How Things Work:

The Big Book of How Things Work Bk Big, 1993-12 Explains the operation of scores of machines devices instruments and toys that children are most curious about *Consumer's Guide to Alternative Therapies in the Horse* David W. Ramey, 1999-10-15 This book is a discussion and exploration of what works and what doesn't based on scientific evidence It will help you evaluate both common and alternative treatments and in so doing help your horse to live a more healthy productive life **The Consumer Information Catalog** , *A Consumer's Guide to the Apocalypse* Eduardo A. Velásquez, 2007 What accounts for the apocalyptic angst that is now so clearly present among Americans who do not subscribe to any religious orthodoxy Why do so many popular television shows films and music nourish themselves on this very angst And why do so many artists from Coldplay to Tori Amos to Tom Wolfe feel compelled to give it expression It is tempting to say that America's fears and anxieties are understandable in the light of 9 11 the ongoing War on Terror nuclear proliferation and the seemingly limitless capacity of science to continually challenge our conceptions of the universe and ourselves Perhaps too American culture remains so permeated by Protestant Christianity that even avowed skeptics cannot pry themselves from its grip In *A Consumer's Guide to the Apocalypse* Eduardo Velásquez argues that these answers are too pat Velásquez's astonishing thesis is that when we peer into contemporary artists' creative depiction of our sensibilities we discover that the antagonisms that fuel the current cultural wars stem from the same source Enthusiastic religions and dogmatic science the flourishing of scientific reason and the fascination with mystical darkness cultural triumphalists and multicultural ideologues are all sustained by the same thing a willful commitment to the basic tenets of the Enlightenment Velásquez makes his point with insightful readings of the music of Coldplay Tori Amos and Dave Matthews and the fiction of Michael Frayn's *Copenhagen* Chuck Palahniuk's *Fight Club* and Tom Wolfe's *I Am Charlotte Simmons* Written with grace and humor and directed toward the lay reader *A Consumer's Guide to the Apocalypse* is a tour de force of cultural analysis
