Consumer Studies Preliminary Exam:

Home-Based Employment and Family Life Ramona Z. Heck, Alma J. Owen, Barbara R. Rowe, 1995-04-25 This book is about families who combine home life and income producing work under the same roof Based on 899 homeworking households in nine states the analysis presents detailed information about individual worker and household characteristics work characteristics for both business owners and wage workers family functioning types management behavior and adjustment strategies used in family life the community context and the home based employment experience over an extended period of time This is the first publication of a serious longitudinal study of the phenomenon of working from home with historical considerations of how and why so many people are choosing this option It points to the significantly positive impact at home workers are having on their families their neighborhoods and their communities *Consumer Behaviour* Leon Schiffman, Aron O'Cass, Angela Paladino, Jamie Carlson, 2013-10-15 A trusted resource for Consumer Behaviour theory and practice Consumer Behaviour explores how the examination and application of consumer behaviour is central to the planning development and implementation of effective marketing strategies In a clear and logical fashion the authors explain consumer behaviour theory and practice the use and importance of consumer research and how social and cultural factors influence consumer decision making The sixth edition of this Australian text provides expanded coverage of contemporary topics The Oxford Handbook of Hoarding and Acquiring Randy O. Frost, Gail Steketee, 2014 Hoarding involves the acquisition of and inability to discard large numbers of possessions that clutter the living area of the person collecting them It becomes a disorder when the behavior causes significant distress or interferes with functioning Hoarding can interfere with activities of daily living such as being able to sit in chairs or sleep in a bed work efficiency family relationships as well as health and safety Hoarding behavior can range from mild to life threatening Epidemiological findings suggest that hoarding occurs in 2.6% of the adult population making it two to three times more common than obsessive compulsive disorder The fifth edition of the Diagnostic and Statistical Manual of Mental Disorders DSM 5 now includes Hoarding Disorder as a distinct disorder within the OCD and Related Anxiety Disorders section creating a demand for information about it The Oxford Handbook of Hoarding and Acquiring is the first volume to detail the empirical research on hoarding Including contributions from all of the leading researchers in the field this comprehensive volume is divided into four sections in addition to introductory and concluding chapters by the editors Phenomenology Epidemiology and Diagnosis Etiology Assessment and Intervention and Hoarding in Special Populations The summaries of research and clinical interventions contained here clarify the emotional and behavioral features diagnostic challenges and nature of the treatment interventions for this new disorder This handbook will be a critical resource for both practitioners and researchers including psychiatrists psychologists neurologists epidemiologists social workers occupational therapists and other health and mental health professionals who encounter clients with hoarding problems in their practice and research *Family Research* Stephen J.
