## **Contemporary Guide Russian Usage Using:**

Using Russian Derek Offord, 2005-07-14 Using Russian is a guide to Russian usage for those who have already acquired the basics of the language and wish to extend their knowledge Unlike conventional grammars it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English speakers and focuses on questions of style and register which are all too often ignored Clear readable and easy to consult it will prove invaluable to students seeking to improve their fluency and confidence in Russian This second edition has been substantially revised and expanded to incorporate fresh material and up to date information Many of the original chapters have been rewritten and one brand new chapter has been added providing a clear picture of Russian usage in the 21st century *Using Japanese Synonyms* A. E.

Backhouse, 2016-06-16 Being a successful speaker of a given language involves control of the meaning and use of vocabulary items taking in their lexical content what phenomena they refer to combinatorial behaviour what items they occur with and situational characteristics e g as colloquial or formal terms This essential reference book provides clear information on these aspects for around three hundred groups of Japanese near synonyms supplemented by a wide range of authentic examples The result is a clear profile of the meaning and use of each item highlighting similarities and distinctions among neighbouring terms and expanding learners lexical range The book is designed primarily for English speaking learners and the selection of groups and items and the overall treatment adopted reflects the author s extensive experience in teaching Japanese to English speakers Japanese forms and examples appear in both romanisation and Japanese orthography and the bilingual indexes allow readers to locate synonyms quickly and easily *A Reader's Guide to Contemporary Literature*
