Index Fund Investing Charlie Evans, 2019-06-20 If you are looking for a one-stop shop about index investing, you have found the right book. Developed in 1976 by John Bogle, index funds have become one of the more popular ways to invest in your future. While Bogle worried that investors wouldn't dive into the Vanguard 500 Index Fund at the beginning, he quickly found out how hot index funds would become. Within 30 years, the market held nearly 300 different indexes. But what exactly is this new phenomenon in the investing world? The answer to this question is in this book. Throughout the book, you will not only learn what an index fund is, but you will read about some of the hottest indexes on the market. You will receive tips about index investing from investing guru Warren Buffett and others. You will learn about the advantages to index investing, the disadvantages, and what mistakes you should watch out for as you begin your index investing journey. This isn't just any book on the market about index investing. This is a guide which can give you some of the best advice, information, and resources to help you get closer to hitting the buy button on your first index fund. Start investing for your future with this book today.

Exchange-Traded Funds For Dummies Colin Davidson, Russell Wild, 2011-09-26 Diversify your investments with today's fastest growing financial product.
