How to Self-Publish Your Book

Dr. Jan Yager, 2019-08-07 A new world has opened to writers who wish to have their words turned into finished books With technological advances in typesetting printing distribution and sales self publishing has become a reality But while converting your writing into a commercially available title may sound relatively easy based upon the claims of some companies that offer this service there are many important considerations you should be aware of before going to press Publishing expert Dr Jan Yager has created an easy to follow guide that will take you from a book s conception and writing to its production and sales Whether your work is fiction or nonfiction How to Self Publish Your Book offers sound and proven advice at every turn enabling you to avoid common pitfalls along the way to becoming a self published author The book is

divided into three parts Part One takes you through the initial manuscript preparation setting your goals writing sequencing editing and proofing as well as creating a business plan for your book s eventual release Part Two focuses on the actual production of your book It explains the importance of cover and interior design what you need to know about producing physical books and e books and how to turn your title into an audiobook Part Three provides key information on how to market and sell your book subjects that are crucial to a title s success but of which most writers have very little understanding Also included is a valuable resource section that guides you to websites which offer essential information on self publishing service providers including complete self publishing companies as well as freelance editors proofreaders printers distributors marketers and publicists Today self publishing workshops and lecturers charge hopeful writers hundreds of dollars promising to turn their self published books into bestsellers The fact is that your book s chance of success starts at its origin not with the finished product However you choose to produce your book whether through a self publishing company or through separate services here is a complete road map to what lies ahead based not on hype or wishful thinking but on Dr Jan Yager s lifetime of experience in the world of publishing
