Delstar Metal Finishing, Inc.'s *User's Guide to Electropolishing* summarizes much of what has been written about electropolishing in textbooks, magazines, technical journals and handbooks, and it is believed to be accurately represented. However, Delstar makes no guarantees, warranties or representations regarding its accuracy and use.

In the absence of nationally accepted electropolishing finish standards, Delstar's research and development teams created recommended standards and specifications representing the various needs of industry. This User's Guide is provided as a service to engineers, designers and industry in an effort to promote the use of electropolishing in various applications.
