questions designed to maximize your score you'll be ready. You don't want to waste time and money retaking an exam. You want to accelerate your education, not miss opportunities for starting your future career. Every year thousands of people think that they are ready for the DANB CDA test but realize too late when they get their score back that they were not ready at all. They weren't incapable and they certainly did their best but they simply weren't studying the right way. There are a variety of methods to prepare for the Certified Dental Assistant test and they get a variety of results. Trivium Test Prep's CDA study guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the CDA exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our DANB Certified Dental Assistant study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand and have fully explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam. CDA questions are included so that you can know without a doubt that you are prepared. Our study guide is streamlined and concept-driven so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

**Review Questions and Answers for Dental Assisting** Betty Ladley Finkbeiner, Mosby, 2016-01-22. Provides a steadfast review for the dental assisting student preparing for course review, local or state exams, or national certification. Three comprehensive tests are included in the format all common to national exams for dental assistants. Tests are divided into the following categories: General Chairside 360 questions total, 120 questions per test; Radiation Health and Safety 300 questions total, 100 questions per test; Infection Control 300 questions total, 100 questions per test. For added convenience, each question is repeated in the answer key with the rationale for the correct choice so the results can be checked. From the preface.
