manages to cover the broad scope of emergency medicine while remaining an easily readable and practical resource Last for
the inevitable comparison of this current edition of Tintinalli's Emergency Medicine with other available emergency medicine

textbooks available in my opinion Tintinalli's still comes out on top. It is more concise and easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively than others. Just as previous editions did, the seventh presents all of the most pertinent and up-to-date information in a well-organized format that is comprehensive yet easy to read. That and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come. JAMA
