Depression Dust Bowl Photo Essay:

The Dust Bowl Through the Lens Martin W. Sandler, 2009-10-01 The Dust Bowl was a time of hardship and environmental and economic disaster More than 100 million acres of land had turned to dust causing hundreds of thousands of people to seek new homes and opportunities thousands of miles away while millions more chose to stay and battle nature to save their land FDR s army of photographers took to the roads to document this national crisis Their pictures spoke a thousand words and a new form of storytelling photojournalism was born With the help of iconic photographs from Dorothea Lange Walker Evans Arthur Rothstein and many more Martin Sandler tells the story of a nation as it endured its darkest days and the extraordinary courage and spirit of those who survived [Photo-Essays about Asian American Women in Life Magazine 1936 to 1965](#) Karen L. Ching Carter, 2021-10-12

The editors of Life Magazine a mass produced picture magazine composed picture narratives that entertained informed and influenced mid twentieth century American society Photo Essays about Asian American Women in Life Magazine 1936 to 1965 Hidden Narratives and Breaking Stereotypes is a rhetorical analysis of how Life Magazine s photo essays represented and shaped white American middle class attitudes toward Asian American women In the time period studied 1936 to 1965 most white Americans were exposed to Asian woman primarily through film or in illustrated drawings Hollywood in particular created caricatures depicting Asian women as evil dragon ladies or sex slaves both of which implied prostitution which affected their legal and social standing in early and mid twentieth century America The book illustrates the ways in which the Life editors utilized the photo essay as a narrative art form to counter stereotypical and racist Hollywood depictions of Asian women as prostitutes and to envision them as part of the American middle class thereby promoting a sense of national identity that included Asians as Americans This book will be of interest to scholars in the fields of women s studies cultural studies visual culture Asian American studies and history

Wadham, Jon W. Ostenson, 2013-01-07 This book advocates for a stronger role for young adult literature in ELA classrooms compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks Integrating

Young Adult Literature through the Common Core Standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students needs and the demands of the common core standards The first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model The second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together The book empowers schools and teachers to make intelligent informed decisions about texts and instructional practices that benefit their students Finally the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in English classrooms

Overcoming Textbook Fatigue

ReLeah Cossett Lent, 2012-11-14 Overcoming textbook fatigue means reaching within and beyond the textbook to access all sorts of 21st century tools the same ones that students will be using in college careers and daily life ReLeah Cossett Lent Textbook fatigue is a malaise that negatively affects teachers and students It is the result of scripted programs and step by step teachers manuals that dismiss the individualization of schools teachers and students Because textbooks provide a one way distillation of information aimed at a broad generic population they offer little to engage or pique the interest of the 30 individuals in a classroom In this example packed book ReLeah Cossett Lent shows how educators can reclaim the curriculum by shifting the textbook from sole source to resource She also gives advice on using Common Core State Standards throughout the school and in the classroom Teachers coaches curriculum coordinators and administrators will discover proven techniques that will revitalize teaching and learning in every content area Discipline specific writing activities that extend and deepen lessons Strategies for using content specific materials that encourage students to read to learn Effective vocabulary strategies that work throughout the curriculum Methods to tap into and build background knowledge Fun activities that use relevant life skills to involve and engage students in learning Lent highlights what s to be gained from loosening the grip on textbooks and provides practical guidance on how to accomplish that goal using real life examples from schools that have made the change Overcoming Textbook Fatigue is brimming with ideas to restore the joy of teaching and learning and in the process boost student achievement Lent is a 20 year teaching veteran an award winning author and an experienced international consultant specializing in literacy and communities of practice
