Bodies, Sex and Desire from the Renaissance to the Present Kate Fisher, Sarah Toulalan, 2015-12-11 An examination of how bodies and sexualities have been constructed categorised represented diagnosed experienced and subverted from the fifteenth to the early twenty first century It draws attention to continuities in thinking about bodies and sex concept may have changed but they nevertheless draw on older ideas and language The Jew's Daughter Efraim Sicher, 2017-05-04 A new approach to thinking about the representation of the Other in Western society The Jew's Daughter A Cultural History of a Conversion Narrative offers an insight into the gendered difference of the Jew Focusing on a popular narrative of The Jew's Daughter which has been overlooked in conventional studies of European anti-Semitism this innovative study looks at canonical and neglected texts which have constructed racialized and sexualized images that persist today in the media and popular culture The book goes back before Shylock and Jessica in The Merchant of Venice and Isaac and Rebecca in Ivanhoe to seek the answers to why the Jewish father is always wicked and ugly while his daughter is invariably desirable and open to conversion The story unfolds in fascinating transformations reflecting changing ideological and social discourses about gender sexuality religion and nation that expose shifting perceptions of inclusion and exclusion of the Other Unlike previous studies of the theme of the Jewess in separate literatures Sicher provides a comparative perspective on the transnational circulation of texts in the historical context of the perception of both Jews and women as marginal or outcasts in society The book draws on examples from the arts history literature folklore and theology to draw a complex picture of the dynamics of Jewish Christian relations in England France Germany and Eastern Europe from 1100 to 2017 In addition the responses of Jewish authors illustrate a dialogue that has not always led to mutual understanding This ground breaking work will provoke questions about the history and present state of prejudiced attitudes in our society **Routledge Library Editions:**
