A Swamp for All Seasons: The Appeal of an Ogre's Home

Home is where the heart is, but not everyone has the same heart. For some, a home is four walls, some furniture, and a fireplace. For others, home is a cactus, sand dunes, and a nearby oasis. Comfort is subjective, and the only comfort I have known is from the mud and gunk of my humble swamp.

A swamp, a bog, a quagmire, whatever you might call it, my swamp is the only place I would ever consider home. The climate ranges with the season, and the mudpits offer a surprising level of insulation from the weather, never too hot or too cold. Nights are filled with the sounds of crickets, toads, and the wayward donkey, the soft sounds of the angry village in the distance.

To many, the swamp might seem like a scary and unwelcoming space, but for me, that is part of its charm. It is a place of warmth and love if you look close enough, and much like an onion, it is a place of layers. The humble bog may be the most ideal environment to live, and yet part of its appeal is that it is not for everyone. That is the ideal home; a place that perfectly fits you.
