Democracy Inequality And Corruption Korea Taiwan And The Philippines Compared:

Democracy, Inequality and Corruption Jong-sung You, 2015 In this comparative historical survey of three East Asian democracies Jong sung You explores the correlation between inequality and corruption in the countries of South Korea Taiwan and the Philippines Drawing on a wealth of rich empirical research he illustrates the ways in which economic inequality can undermine democratic accountability thereby increasing the risk of clientelism and capture Transcending the scope of corruption research beyond economic growth this book surveys why some countries like the Philippines have failed to curb corruption and develop whilst others such as South Korea and Taiwan have been more successful Taking into account factors such as the success and failure of land reform variations in social structure and industrial policy Jong sung You provides a sound example of how comparative analysis can be employed to identify causal direction and mechanisms in political science

Assessing the Landscape of Taiwan and Korean Studies in Comparison, 2021-04-19 In *Assessing the Landscape of Taiwan and Korean Studies in Comparison* the chapters offer a reflection on the state of the field of Taiwan and Korea Studies For the editors the volume s purpose was to identify not just their similarities but also a reflection on their differences Both have national identities formed in a colonial period The surrender of Japan in 1945 ignited the light of independence for Korea but this would be ideologically split within five years For Taiwan that end forced it into a born again form of nationalism with the arrival of the Chinese Nationalists Taiwan and South Korea s economic development illustrate a progressive transition and key to understanding this is the relationship between modernization and democracy By looking at Korea and Taiwan the chapters in the volume broaden an understanding of the interconnectivity of the region

Land Reform, Inequality, and Corruption Jong-sung You, 2014 This article presents some of the key arguments and findings of the author s forthcoming book *Democracy Inequality and Corruption Korea Taiwan and the Philippines Compared* Cambridge University Press It explores how inequality increases corruption via electoral clientelism bureaucratic patronage and elite capture of policy process through a comparative historical analysis of South Korea Taiwan and the Philippines that shared similar conditions at the time of independence It finds that success and failure of land reform which was little affected by corruption but largely determined by exogenous factors such as external communist threats and U S pressures for reform produced different levels of inequality which in turn influenced subsequent levels of corruption through capture and clientelism In the Philippines failed land reform maintained high inequality and domination of the landed elite in both politics and economy which led to persistent political clientelism increasing patronage in bureaucracy and policy capture by the powerful elite In contrast successful land reform in South Korea and Taiwan dissolved the landed class and produced egalitarian socioeconomic structure which helped to maintain state autonomy contain clientelism promote meritocratic bureaucracy and develop programmatic politics over time

Challenges of Modernization and Governance in South Korea Jae-Jung Suh, Mikyoung Kim, 2017-07-31 Focusing on the sinking of the Sewol a commercial ferry which capsized off the

South Korean coast in April 2014 this book considers key issues of disaster governance civil society and the ideational transformation of human agents and their empowerment Providing a lens through which to re examine South Korean institutions laws and practices the volume examines the impact of the Sewol incident and what it reveals about the fault lines of South Korean society and governance It addresses the repercussions of South Korea s turn to a liberal democracy and neoliberal economy and reflects on the multilayered implications of the disaster in respect to the potential human costs of the country s state driven development policy and high stress modernisation The book also highlights the relevance of the Korean experience for other societies on a similar developmental trajectories and facing similar challenges **The Oxford**
