Democracy Bytes J. Bessant, 2014-01-01 This study is about new media the crisis of democracy and political renewal It asks What is the political How can we understand politics in a network age Can we talk sensibly about generational change Analysing four international case studies this book gives an optimistic assessment of how digital media supports new forms of politics

Young People and the Politics of Outrage and Hope, 2018-11-26 Young People and the Politics of Outrage and Hope brings together contributions from international youth studies experts who ask how young people and institutions are responding to high levels of unemployment student debt housing costs that lock many out of home ownership and the challenge to find meaningful modes of participation in neo liberal social contexts Contributors including Henry Giroux Anita Harris and Judith Bessant draw on a range of theoretical methodological and empirical work to identify and debate some of the challenges and opportunities of the politics of outrage and hope that should accompany academic community and political discussions about the futures that young people will inherit and make *Young People and the Politics of Outrage and Hope* is now available in paperback for individual customers

Politics, Protest and Young People Sarah Pickard, 2019-06-07 Sarah Pickard offers a detailed and wide ranging assessment of electoral and non electoral political participation of young people in contemporary Britain drawing on perspectives and insights from youth studies political science and political sociology This comprehensive book enquires into the approaches used by the social sciences to understand young people s politics and documents youth led evolutions in political behaviour After unpicking key concepts including political participation generations the political life cycle and the youth vote Pickard draws on a combination of quantitative and qualitative research to trace the dynamics operating in electoral political participation since the 1960s This includes the relationship between political parties politicians and young people youth and student wings of political parties electoral behaviour and the lowering of the voting age to 16 Pickard goes on to discuss personalised engagement through what she calls young people s DIO Do It Ourselves political participation in online and offline connected collectives The book then explores young people s political dissent as part of a global youth led wave of protest This holistic book will appeal to anyone with an interest in young people politics protest and political change

Making-Up People: Youth, Truth and Politics Judith Bessant, 2020-12-30 This book is about modern politics and young people Judith Bessant revises some long standing myths about children and young people s politics She highlights the huge gap between the many ways young people and politics are talked about and how they have long been politically active Bessant draws on a relational historical sociology to show how since the nineteenth century certain historical dynamics political interests and social imaginaries have enabled

social scientists writers political leaders and policymakers to imagine and make up different kinds of young people Given these representations of childhood adolescence and youth everyone knows that young people are cognitively immature inexperienced morally under developed and lack good judgement For these reasons they cannot possibly be allowed to engage in the serious grown up business of politics Yet in just one of the many contradictions young people are criticised by many of their elders for being politically apathetic and disengaged from politics Many think recent global warming movements largely led by quite young people are a novel phenomenon Yet young people have been at the forefront of political movements of all kinds since the French Revolution Since the 1960s children and young people increasingly played a major if sometimes obscured role in civil rights anti war anti globalisation anti austerity and global warming movements This accessible book is rich in theoretical and historical insight that is sure to appeal to sociologists historians youth studies scholars and political scientists as well as to the general reader

Habermas and Social Research

Mark Murphy, 2016-11-25 One of the greatest contributors to the field of Sociology Jürgen Habermas has had a wide ranging and significant impact on understandings of social change and social conflict He has inspired researchers in a range of disciplines with his multidimensional social theory however an overview of his theory in applied settings is long overdue This collection brings together in one convenient volume a set of researchers who place Jürgen Habermas key concepts such as colonisation deliberation and communication at the centre of their research methodologies Full of insight and innovation this book is an essential read for those who want to harness the potential of Habermas core concepts in their own work thereby helping to bridge the gap between theory and method in social research Structured around three core themes Habermas and Social Research provides a range of research case studies looking at system colonization the politics of deliberation and communicative interactions Issues as diverse as social movements the digital public sphere patient involvement migration and preschool education are all covered in the book intertwined with a set of innovative approaches to theory application in social research Designed to help researchers harness the potential of Habermas core concepts as methodological tools this timely volume will prove highly useful for graduate and upper level undergraduates within the fields of theory and method research design public policy education policy urban and environmental planning

Media Practices, Social Movements, and Performativity

Susanne Foellmer, Margreth Lünenborg, Christoph Raetzsch, 2017-09-13 As individuals incorporate new forms of media into their daily routines these media transform individuals engagement with networks of heterogeneous actors Using the concept of media practices this volume looks at processes of social and political transformation in diverse regions of the world to argue that media change and social change converge on a redefinition of the relations of individuals to larger collective bodies To this end contributors examine new collective actors emerging in the public arena through digital media or established actors adjusting to a diversified communication environment The book offers an important contribution to a vibrant transdisciplinary and international field of research emerging at the intersections of communication

performance and social movement studies Young People Re-Generating Politics in Times of Crises Sarah Pickard, Judith Bessant, 2017-07-31 This book provides insight into the diverse ways young people from around the world are regenerating politics in innovative and multifaceted ways The authors who include academics and activists challenge claims that young people are apolitical apathetic and living up to the me generation stereotype Contributions cover a rich body of case examples of traditional and new forms of youth politics in response to situated injustices and political and socio economic crises Significant and optimistic the collection presents strong evidence from across the globe that these developments are not isolated incidences but are in fact part of a systemic large scale transformation leading to a regeneration of the political landscape by young people The book is aimed at students and scholars in the fields of politics sociology policy studies and youth and childhood studies *Sociological Abstracts* Leo P.
