Sales Secrets 2.0 Dr. Abhishek Tiwari, 2021-07-01 Sales The profession that exudes enigma and dread at the same time It is felt that this profession has not garnered the respect and accolades it deserves Young professionals cringe at the prospect of being in sales and look for a job that does not require any kind of customer interaction This book does not aim to preach about how easy it is to succeed in sales It also does not tell you that everything you have done so far has been completely wrong On the contrary this book offers help to those who are looking to polish their

selling skills This book is an account of author s experience at various levels in sales not only how the author have succeeded but also how the author faltered or failed and learned something new through the experience This book will make up your mind to be good at something which is considered extremely difficult by the majority of people around you All you need to do is explore the various techniques and pick the ones that work for you Concepts in various chapters will help you to learn the Art Science of Sales Concept like Raise the bars higher will give you goosebumps about what you have missed in your professional life so far Multiple times and different ways concept will boggle your mind when you will realize the formula of gaining the attention of your prospects and leading to quick sales Specially Negative Reverse Sales or Back pedal Strategy will give you a new perspective of selling your products or services This is one strategy about which you will hardly get know from others or find much relevant material on internet So spend your good time on absorbing this strategy Most of the chapters will comprise Think Tank questions for your self evaluation and introspection Hence do not read this book for the heck of reading it Learn the concept and relook that how can you imbibe the same in your sales pitch So what are you waiting for Peruse through the book and discover the Sales Secrets **BOXER User Manual Level 3.1** PAFEC Ltd,
