Charles G. Finney, 1997-08 True Christianity consists in being like God by acting on His principles and having His feelings toward everything and everyone around you. Finney shows how you can have the character of God and become His servant. *The Jewish Bible Quarterly*, 2005 **The International Bible Commentary** William Reuben Farmer, 1998 Initiated by international scholars as a Catholic and ecumenical academic and pastoral enterprise, *The International Bible Commentary* brings together many voices, Catholic and ecumenical, speaking from different cultural perspectives to God's Word. 1 *The Living Bible* Tyndale, 1974-10 *The Living Bible TLB* is an English version of the Bible created by Kenneth N. Taylor. It was first published in 1971. Unlike most English Bibles, *The Living Bible* is a paraphrase. Mr. Taylor used the American Standard Version of 1901 as his base text. Taylor never intended for his paraphrase to be used as the reader's sole source of Biblical knowledge or as an aid to scholarly study. Rather, his goal was to put the basic message of the Bible into modern language that could readily be understood by the typical reader without a theological or linguistic background. He never represented his work as a translation. Rather, the word *Paraphrased* was used on the front cover to show very clearly that this was a paraphrase. Wikipedia
