

The background of the cover is a photograph of a person climbing a large, dark rock face. The climber is in silhouette, hanging from the edge of the rock with their arms and legs. They are holding a long rope that extends down to the bottom of the frame. The sky is a mix of blue, orange, and white, suggesting a sunset or sunrise. The overall mood is one of challenge and achievement.

Balakrishnan's Managerial Accounting 1st edition presents accounting information in the context of business decision making. It combines the traditional topics of managerial accounting with a strategic framework that shows students how to construct decision models and measure information.
