Texas Warbird Survivors 2003 Harold A. Skaarup, 2002-12-16 Many examples of aircraft that saw service in the various armed forces of the United States are currently being restored to flying status or preserved in museums in the state of Texas. Some of them have significant war records and a few are currently standing as gate guardians outside their former airbases. These Warbirds are a permanent part of our modern history and they deserve to be remarked upon and remembered. This handbook provides a simple checklist of where the surviving military aircraft in Texas are located now along with a few photographs and a brief history of their service in the US military.
