

A woman with long, wavy blonde hair is lying on her side on a bed with white linens. She is looking down and slightly to the side with a pensive expression. Her hands are resting on her hair and legs. The background is softly lit, showing a headboard and a wall outlet.

Love can only withstand so much.
Will this be their breaking point?

character of the Nixon White House were the assigned tasks complexity and dynamics of the burgeoning staff Faced with hostile majorities in Congress and executive branch careerists assumed to be committed to a Democratic agenda Nixon sought to control his political fate by engaging more actively than earlier presidents in public relations and the mobilization of support At the command and under the control of the Oval Office the staff carried out assignments designed to fulfill Nixon's aims This theoretically informed and well researched study explains how Nixon changed and expanded the institutionalized presidency and how that affected the Ford and Carter administrations Nixon ushered in a new stage in the modern presidency by organizing and using his increasingly complex staff in new ways that have persisted beyond the 1970s to this day To a greater degree than any predecessor Nixon systematized outreach legal advice and policy formulation His White House staffing then has come to be regarded as a standard model that influences incoming presidents regardless of party affiliation Leavening this organizational study are revealing accounts of how the Nixon Ford and Carter staffs operated behind the scenes in the West Wing Anyone needing to know how the White House worked during those presidencies or how it has worked since will find this book invaluable Corporate Practice Series ,2010 **Atlantic Reporter** ,1923
