Rebellious Cooks and Recipe Writing in Communist Bulgaria Albena Shkodrova, 2021-01-28 How did people exist and resist in their daily lives under Soviet control in the Cold War period Shkodrova's monograph shows how in communist Bulgaria many women passionately exchanged recipes with friends and strangers to build substantial and impressive private collections of recipes This activity was borderline contraband in going against the general disapproval of home cooking that formed part of the ideology of communism in which home cooking was considered household slavery and an agent of patriarchalism Private recipe collections were by far the preferred written source of culinary information more popular than the state approved commercial cookbooks Shkodrova shows how these recipe collections held many different meanings for the women who collected them from helping to navigate the communist economy to enabling new friendships to be developed while engaging safely in power relations and cultivating a sense of individual identity in a society where collective existence was prioritised and exalted Drawing on primary sources including scrapbook cookbooks and working from the establishment of cookery classes before communism and their obliteration thereafter Shkodrova presents a structured outline of the meanings of recipes exchange and home cooking for Bulgarian women under communism

Cookbooking Barbara Winkler, 2008 Cookbooking was born one recent Thanksgiving when Barbara Winkler decided she'd had enough of digging through old file folders and desk drawers to find her recipes Winkler a former executive editor of Family Circle magazine realized that when she assembled all those recipes she had made more than a home made cookbook she had also created an album that displays memories of the good times as well as the recipes that helped shape them Here Winkler shows accomplished scrapbookers and newcomers alike how to combine organization and inspiration with 12 design concepts ranging from family treasures to outdoor grilling For each she includes photos of album covers and finished scrapbook pages along with two recipes And all the projects look great because they're crafted by renowned scrapbooker Pattie Donham author of *The Crafter's Guide to Glue*
