

Continuing Cookie Chronicle

(Note: This is a continuation of the Cookie Chronicle from Chapters 1 through 5.)

CCC6 Natalie is busy establishing both divisions of her business (cookie classes and mixer sales) and completing her business degree. Her goals for the next 11 months are to sell one mixer per month and to give two to three classes per week.

The cost of the fine European mixers is expected to increase. Natalie has just negotiated new terms with Kzinski that include shipping costs in the negotiated purchase price (mixers will be shipped FOB destination), but the supplier cannot guarantee the invoice price. Natalie has decided to use a periodic inventory system and now must choose a cost flow assumption for her mixer inventory.

The following transactions occur in February to May 2018.

- Feb. 2 Natalie buys two deluxe mixers on account from Kzinski Supply Co. for \$1,150 (\$575 each), FOB destination, terms n/30.
- 16 She sells one deluxe mixer for \$1,100 cash.
- 25 She pays the amount owed to Kzinski.
- Mar. 2 She buys one deluxe mixer on account from Kzinski Supply Co. for \$592, FOB destination, terms n/30.
- 30 Natalie sells two deluxe mixers for a total of \$2,200 cash.
- 31 She pays the amount owed to Kzinski.
- Apr. 1 She buys two deluxe mixers on account from Kzinski Supply Co. for \$1,172 (\$586 each), FOB destination, terms n/30.
- 13 She sells three deluxe mixers for a total of \$3,300 cash.
- 30 Natalie pays the amount owed to Kzinski.
- May 4 She buys three deluxe mixers on account from Kzinski Supply Co. for \$1,800 (\$600 each), FOB destination, terms n/30.
- 27 She sells one deluxe mixer for \$1,100 cash.

Instructions

- Prepare journal entries for each of the transactions.
- Determine the cost of goods available for sale. Recall from Chapter 5 that at the end of January, Cookie Creations had three mixers on hand at a cost of \$570 each.
- Calculate (i) ending inventory, (ii) cost of goods sold, (iii) gross profit, and (iv) gross profit rate under each of the following methods: LIFO, FIFO, and average cost. (Round average unit cost to three decimal places.)
- Natalie is thinking of getting a bank loan. If this is the only factor Natalie has to consider in choosing an inventory cost flow assumption, which cost flow assumption would you recommend that Natalie use? Why?

Cookie Chronicle Ch Answers:

Accounting Paul D. Kimmel, Jerry J. Weygandt, Donald E. Kieso, 2010-12-01 With this fourth edition accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions. It better reflects a more conceptual and decision making approach to the material. The authors follow a macro to micro strategy by starting with a discussion of real financial statements first rather than starting with the Accounting Cycle. The objective is to establish how a financial statement communicates the financing, investing, and operating activities of a business to users of accounting information. This motivates accountants by grounding the discussion in the real world, showing them the relevance of the topics covered to their careers. **Financial Accounting** Paul D. Kimmel, Jerry J. Weygandt, Donald E.

Kieso, 2010-10-25 This successful book continues to provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively. The sixth edition offers new discussions on IFRS including new codification numbers, examples of IFRS financial statements, and additional exercises. A look at more recent frauds such as the Bernie Madoff scandal have been added. Enhanced discussions of ethics and international accounting are presented. The coverage of non-cash items and their impact on decision making has been expanded. In addition, comprehensive case studies and problems help accountants tie the material together. *Financial Accounting* Jerry J. Weygandt, Paul D. Kimmel, Donald E.

Kieso, 2010-05-25 Focus on GAAP and IFRS. This title makes extensive use of international companies, allowing the reader to get a global understanding of financial accounting. Chronicle of the Horse, 1991-04 The Chase Chronicle, 1925
