Focus On: 100 Most Popular Billboard Mainstream Top 40 (Pop Songs) Number-one Singles Wikipedia contributors, [The Oxford Handbook of Social Media and Music Learning](#) Janice L. Waldron, Stephanie Horsley, Kari K. Veblen, 2020-09-23 The rapid pace of technological change over the last decade particularly the rise of social media has deeply affected the ways in which we interact as individuals in groups and among institutions to the point that it is difficult to grasp what it would be like to lose access to this everyday aspect of modern life The Oxford Handbook of Social Media and Music Learning investigates the ways in which social media is now firmly engrained in all aspects of music education providing fascinating insights into the ways in which social media musical participation and musical learning are increasingly entwined In five sections of newly commissioned chapters a refreshing mix of junior and senior scholars tackle questions concerning the potential for formal and informal musical learning in a networked society Beginning with an overview of community identity and the new musical self through social media scholars explore intersections between digital musical and social constructs including the vernacular of born digital performance musical identity and projection and the expanding definition of musical empowerment The fifth section brings this handbook to full practical fruition featuring firsthand accounts of digital musicians students and teachers in the field The Oxford Handbook of Social Media and Music Learning opens up an international discussion of what it means to be a musical community member in an age of technologically mediated relationships that break down the limits of geographical cultural political and economic place [May I Quote You on That?](#) Stephen Spector, 2015 A guide to English grammar and usage for the twenty first century pairing grammar rules with interesting and humorous quotations from American popular culture *Hit Girls* Nora Princiotti, 2025-06-17 An entertaining and deeply nostalgic dive into how female pop stars broke through the music industry in the 2000s and altered the cultural landscape forever from the Ringer writer and Every Single Album podcast cohost Hit Girls bridges our butterfly clipped bedazzled past with today's music world revealing how the pop songs we belted in our bedrooms shaped everything we're streaming now Kate Kennedy New York Times bestselling author of *One in a Millennial* Low rise jeans butterfly clips The Lizzie McGuire Movie and Paris Hilton's nights out The early 2000s were a time of major moments in fashion media celebrity culture and especially music The aughts were a particularly fruitful era for female artists still the only decade in the history of recorded music when women made up more than half the list of highest grossing performers and especially pop stars Artists such as Britney Spears Taylor Swift Rihanna and Beyoncé were leading the charge their success not only leading to a new respect for female artists but for pop stardom itself In *Hit Girls* Nora Princiotti examines how these artists redefined the role of the pop star within the music industry and culture more broadly and fundamentally set the stage for the women who top the charts today Princiotti unpacks the shifts in genre technology and celebrity culture that sparked this evolution through the stories of the biggest names in aughties pop Like how Britney opened the bubblegum floodgates at the start of

the decade inspiring both copycats like Christina Aguilera and Jessica Simpson and mall punk antagonists like Avril Lavigne and Ashlee Simpson Or how innovations in technology led to the rise of EDM as Rihanna experimented with sound while Ke\$ha and Katy Perry embraced the party anthem Along the way Princioti explores how celebrity evolved alongside the changes in media from the tabloid days la Lindsay Lohan to MySpace Instagram and how Taylor created one of the largest most dedicated fandoms the world has ever seen The ultimate love letter to pop music Hit Girls celebrates the women who revolutionized the genre inspired the next generation and in some cases are burning brighter than ever

Entertainment Media and Politics Robert Lance Holbert, 2016-03-17 The prominence of politically themed entertainment is evident across the global media landscape Given its popularity it is important to gain a firm understanding of the mechanisms through which this diverse and multi faceted content can generate democratic outcomes In addition it is essential to isolate and predict properly the strength of a given effect and the conditions under which a specific outcome will become evident The works contained in this edited volume explore affect and cognition driven processes of influence recognizing that humans are both emotional and rational beings In addition empirical evidence is offered to isolate and compare specific types of political entertainment media content e g different types of satire and citizens proclivities for this content e g a person s Affinity for Political Humor in order to best understand the complex means by which entertainment media can generate political influence Attention is also paid to expanding what can and should be defined as political entertainment media which includes opinion based political talk programming The collection and its authors represent a global perspective to reflect the rise of political entertainment media as a global phenomenon This book was originally published as a special issue of Mass Communication and Society
