Credit Report Abc Review:

The ABC's of Financial Success Workbook Barry Lee Cameron, Douglas J. Crozier, 2003-04 **Investigating Identity Theft** Judith M. Collins, 2006-02-17

What will you do when you encounter identity theft within your business? Chances are you have already lost money to identity theft and business fraud. Look no further than the latest newspaper headlines to know that it is an epidemic problem and an alarming reality from which no business, whether small or large, is immune. Although you can't completely stop identity theft from happening, you can be prepared when it takes place. *Investigating Identity Theft: A Guide for Businesses, Law Enforcement, and Victims* is your practical guide for fully understanding and investigating identity theft. The training that I received from Judy Collins at MSU has been instrumental to my helping victims of identity theft and locating the persons who caused their nightmare. I have even used the training methods she outlines in this book on a homicide investigation and it paid off: the perpetrator is now in jail for the rest of his life. I can't say enough about Dr. Collins and her knowledge of tracking criminals on the Internet; she is a great asset to law enforcement.

Anthony Abdallah, Police Detective, Inkster Police Department, CID, Inkster, Michigan: This valuable book is an essential, pragmatic guide for the full understanding and investigation of identity theft crimes. It also establishes Dr. Judith Collins as a foremost national expert on this growing crime problem that threatens our future.

Dr. Bruce L. Benson, Police Chief Emeritus, Associate Professor, Criminal Justice, Michigan State University: Whether the investigator is working in the private or public sector, Dr. Collins presents valuable information on the methodology required to successfully resolve identity theft cases. The use of real-life investigations with lessons learned provides an intriguing and entertaining format while at the same time sharpening the investigator's skills. If you think investigating identity theft is not worthwhile because the crime is committed by individuals on randomly selected victims without specific objectives, goals, or purpose, you need to read this book.

Rod Kinghorn, Director of Investigations, General Motors Global Security: An excellent book. Judith Collins has spent many years investigating identity theft. Her willingness to share her knowledge with law enforcement, businesses, and victims is truly a benefit that cannot be found elsewhere.

Juli Liebler, Captain, East Lansing Police Department, East Lansing, Michigan: Well done. Smart idea. This is an excellent, professionally written book and much needed.

Salman Anwar, Computer Forensic Engineer, Western Michigan University Police Department: As a retired special agent with the Federal Bureau of Investigation and having worked the past six years in the private sector, I found Dr. Collins's book to be an invaluable tool for both the private sector and the law enforcement community. Dr. Collins provides genuine insight into the complex issues surrounding identity theft. I am confident her book will assist in both the prevention of identity theft and the detection of those who prey on others' identities.

Frank Laudan, Investigator, Securitas Security Services USA Inc: Excellent guide. A must read for anyone involved in investigating identity theft. Dr. Collins has become one of the most respected and knowledgeable authorities in this relatively new field.

Detective Gary A. Guiles, Retired Fraud Investigator, Lansing Police Department, Lansing, Michigan: *Rich Dad's Advisors®:*

The ABC's of Getting Out of Debt Garrett Sutton, 2007-11-01 The ABC's of Getting Out of Debt illustrates how to Beat the Lenders at Their Own Game Understand Your Credit Report Repair Your Own Credit Master the Psychology of Debt Deal with Debt Collectors Avoid Credit Scams Win with Good Debt Take Charge of Your Finances Garrett's book reveals how each piece of real estate you own is a business involving all sections of Rich Dad's B I Triangle The B I Triangle is from Rich Dad's Guide to Investing Look for other Advisors to complete the B I Triangle *Dun's International Review*, 1925 *Ayer Directory, Newspapers, Magazines, Trade Publications*, 1922
