**Criminalisation of Politics** Avinash Kumar, 2015 With special reference to Bihar India      *The Wild East* Barbara Harriss-White, Lucia Michelutti, 2019-09-23 The Wild East bridges political economy and anthropology to examine a variety of illegal legal economic sectors and businesses such as red sanders coal fire oil sand air spectrum land water real estate procurement and industrial labour The 11 case studies based across India Pakistan and Bangladesh explore how state regulative law is often ignored and or selectively manipulated The emerging collective narrative shows the workings of regulated criminal economic systems where criminal formations politicians police judges and bureaucrats are deeply intertwined By pioneering the field study of the politicisation of economic crime and disrupting the wider literature on South Asia's informal economy The Wild East aims to influence future research agendas through its case for the study of mafia enterprises and their engagement with governance in South Asia and outside Its empirical and theoretical contribution to debates about economic crimes in democratic regimes will be of critical value to researchers in Economics Anthropology Sociology Comparative Politics Political Science and International Relations Criminologists and Development Studies as well as to those inside and outside academia interested in current affairs and the relationship between crime politics and mafia enterprises      *Bihar, Criminalisation of Politics* Vikāsa Kumāra Jhā, 1996      **When Crime Pays** Milan Vaishnav, 2017-01-24 The first thorough study of the co existence of crime and democratic processes in Indian politics In India the world's largest democracy the symbiotic relationship between crime and politics raises complex questions For instance how can free and fair democratic processes exist alongside rampant criminality Why do political parties recruit candidates with reputations for wrongdoing Why are one third of state and national legislators elected and often re elected in spite of criminal charges pending against them In this eye opening study political scientist Milan Vaishnav mines a rich array of sources including fieldwork on political campaigns and interviews with candidates party workers and voters large surveys and an original database on politicians backgrounds to offer the first comprehensive study of an issue that has implications for the study of democracy both within and beyond India's borders      *The Situated Politics of Belonging* Nira Yuval-Davis, Kalpana Kannabiran, Ulrike Vieten, 2006-06-27 This collection of essays examines the racialized and gendered effects of contemporary politics of belonging issues which lie at the heart of contemporary political and social lives It encompasses critical questions of identity and citizenship inclusion and exclusion emotional attachments violent conflicts and local global relationships The range geographically thematically and theoretically covered by the chapters reflects current concerns in the world today A timely contribution to the ongoing debates in the field it will be a valuable companion to scholars working in the areas of multiculturalism globalisation and culture race and ethnic studies gender studies and studies of post partition societies

**Power, Protest and Participation** Subrata K. Mitra, 2021-09-05 This book first published in 1992 examines the attitudes of local elites the hinge between Indian state and rural society towards protest and participation in development

illuminating arguments about the nature of the state as well as the development process It looks at the role of local elites in India both as the representatives of the state and of the rest of rural society and explains their importance in the country's development The book deals with the elites' contribution to the credibility of the state and examines the strategies through which they manipulate the allocation of resources and influence the pace and direction of social change It contrasts the rural elites in two areas one more economically advanced than the other The elites in the first area were shown to be capable of combining institutional participation with radical protest whilst in the other they tended to rely on state channels to achieve reform The author concludes that despite the different settings both groups were informed active and responsive to political conditions This contrasts with the conventional view that local elites of the dominant castes oppress the lower ones by obstructing reforms for reasons of self interest **Yojana** ,2014 **Violence, Communalism and Terrorism in India** Verinder Grover,Ranjana Arora,1995 **The Politics of Rights** Andrea Cornwall,Maxine Molyneux,2013-09-13 Since the late 1990s development institutions have increasingly used the language of rights in their policy and practice This special issue on feminist perspectives on politics of rights explores the strategies tensions and challenges associated with rights work in a variety of settings Articles on the Middle East Africa Latin America East and South Asia explore the dilemmas that arise for feminist praxis in these diverse locations and address the question of what rights can contribute to struggles for gender justice Exploring the intersection of formal rights whether international human rights conventions constitutional rights or national legislation with the everyday realities of women in settings characterized by entrenched gender inequalities and poverty plural legal systems and cultural norms that can constitute formidable obstacles to realizing rights The contributors suggest that these sites of struggle can create new possibilities and meanings and a politics of rights animated by demands for social and gender justice Digital Governance and Digital Politics in South Asia Dipankar Sinha,Samir Sharma,2024-11-30 The volume is a collection of essays interrogating the connections of digital governance and digital politics in South Asia It challenges the dominant idea of digital governance as a purely technological technocratic and apolitical phenomenon Based on a largely transdisciplinary approach the contributions in the volume are both theoretically informed and empirically grounded as they cover select South Asian states Against this backdrop the volume highlights the growing intervention and outcome of new invasive technologies in shaping the social and political processes The contributors interrogate the critical intersections of governance and politics with intense focus on strategies policies infrastructure services skills and capacity building performance and measurement and political communication In offering a bottom up view of the digital reality of South Asia along with its potentials challenges and dilemmas the volume seeks to provoke further deliberations and debates on this important theme **Rashtriya Sahara** ,1997 **The OtherSide** ,1988 *Vanyajāti* ,1992 Mainstream ,2003 *Social Exclusion, and Education* Jeebanlata Salam,2004 With reference to Himachal Pradesh and Rajasthan India Sûrya India ,1992 Parliamentary Debates India.
