## **Crisis Management In Tourism By Cabi:**

*Crisis Management in Tourism* Eric Laws, B. Prideaux, K. S. Chon, 2006 The history of modern tourism records many localized and some international crises characterized by extreme and sudden reduction in demand for specific destination areas or types of tourism product Managerial responses to such events include both problem solving and market recovery steps but these vary in effectiveness and recovery may be slow to occur after the initial problems are overcome With examples drawn from the UK Europe America Australia and Asia this book brings together a range of expert academic analysis of the latest thinking and practice in this increasingly important area of tourism management

**Safety and Security in Tourism** Noel Scott, Eric Laws, Bruce Prideaux, 2013-09-13 Natural disasters wars and conflicts epidemics and other major crises can devastate a tourism service or destination Though there is extensive literature and research on preparation and coping with tourism crises there is a gap in information on how to best market and recover from the destruction of caused to tourism businesses and destinations This book fills the gap by comprehensively examining how to rebuild the market for a tourism service or destination after a catastrophe This important book presents leading experts from around the world providing useful instruction on effective ways to plan for future crisis response and strategies for recovering business A crisis may arise from several types of destructive occurrences from natural physical destruction of important infrastructure to acts of terrorism Because of the broad range of potential problems there is no single strategy for which to deal with crises The book explores a wide range of catastrophes from Hurricane Katrina to tsunamis to war taking a detailed look at management and administrative strategies which can help stimulate tourism recovery This book explores stealth and catastrophic risks risk perceptions mediating the effects of natural disasters on travel intention and various marketing strategies designed to bring customers back This volume may become one of the most crucial resources in a tourism professional's library The book is extensively referenced and includes several tables and figures to clearly explain data This book is essential reading for tourism researchers tourism educators tourism industry managers and tourism industry administrators This book was published as a special issue of the Journal of Travel Tourism Marketing

**Tourism Crisis and Disaster Management in the Asia-Pacific** Brent W Ritchie, Kom Campiranon, 2014-11-21 The Asia Pacific area is one of the fastest growing tourism regions and a major driver of global tourism in general Tourism industries in Asia Pacific have been challenged in recent years by a number of major crises and disasters including terrorism outbreaks e.g. SARS and Bird Flu natural disasters e.g. tsunamis bushfires flooding and political crisis e.g. protests and political instability This book contributes to the understanding of crisis and disaster management generally but with a specific focus on the Asia Pacific With contributions by international scholars and practitioners the book discusses both the theoretical and practical approaches toward successful crisis and disaster management
