Critique De La Raison Criminologique:

Critique de la raison criminologique Anthony Amicelle, 2015-03-15 Les batailles pour l'existence disciplinaire de la criminologie demeurent insurmontables d'une promotion plus large de modes de fonctionnements de catégories de pensée et de mises en récit scientifiques c'est-à-dire d'une raison criminologique que ce numéro spécial entend interroger Les contributions rassemblées dans ce numéro interrogent ces mises en récit en les déplaçant sur des terrains scientifiques Leur format articles entretiens chroniques et l'importance de ce thème ont justifié d'en faire un numéro triple **Critique de la Raison**

Criminologique collectif Ouvrage collectif, 2015 **Radicalization in Belgium and the Netherlands** Nadia Fadil, Francesco Ragazzi, Martijn de Koning, 2019-05-30 The concept of radicalization is now used to account for all forms of violent and non violent political Islam Used widely within the security services and picked up by academia the term was initially coined by the General Intelligence and Security Service of the Netherlands AIVD after the 9 11 and Pentagon attacks an origin that is rarely recognised This book comprises contributions from leading scholars in the field of critical security studies to trace the introduction adoption and dissemination of radicalization as a concept It is the first book to offer a critical analysis and history of the term as an empty signifier that is a word that might not necessarily refer to something existing in the real world The diverse contributions consider how the term has circulated since its emergence in the Netherlands and Belgium its appearance in academia its existence among the people categorized as radicals and its impact on relationships of trust between public officials and their clients Building on the traditions of critical security studies and critical studies on terrorism the book reaffirms the importance of a reflective approach to counter radicalization discourse and policies It will be essential reading for scholars of security studies political anthropology the study of Islam in the west and European studies *La criminologie* Raffaele Garofalo (barone), 1892 *Revue de droit pénal et de criminologie*, 1907
