Crochet Bead Necklace Pattern:

Designer Beadwork: Beaded Crochet Designs Ann Benson, 2008-04 It's the newest thing in crafting a hot mix of crochet and beadwork. These more than 50 projects for necklaces, earrings and bracelets are all marvelously easy to make using only the most basic stitches. Surround cabochons with a netting of beaded crochet to form the Opal or Stone Pendant Necklaces. The Pearl Frenzy necklace features freshwater pearls threaded into a chain stitched design. For a matching set of jewels try the Pretty in Pink or Snake ensembles. Each project includes color graphs and diagrams and there's plenty of information on stringing techniques, selecting the best fibers, combining different sizes and types of beads and troubleshooting. *Bead Crochet Jewelry* Bert Rachel Freed, Dana Elizabeth Freed, 2014-04-29 Beading experts, teachers and jewelry designers Bert and Dana Freed share their expertise in this delightful collection of jewelry patterns and projects. Using a wide range of stunning beads in lovely color combinations, the pieces may look complicated but are very easy to make following the clearly explained techniques and directions. The projects are organized so that you start with the foundation of bead crochet, the basic chain stitch, then progress through each level to achieve more advanced techniques. Each section opens with clear photographs that demonstrate the techniques needed for the proceeding projects. The Advanced Tips and Tricks at the end of the book offer additional tips and tricks for making your bead crochet experience go as smoothly as possible. Beautifully photographed, *Bead Crochet Jewelry* provides all the inspiration and skills you need to create unique jewelry pieces to wear or give as wonderful gifts. From dangling earrings to chunky necklaces and plaited bracelets, these beautiful and intricate looking pieces are sure to stand out and be admired by all. *Making Bead Jewelry and Decorative Accessories* Virginia Nathanson, Carol Nelson, Rex Nathanson, 2005-01-01 Well illustrated, carefully written guide by a veteran crafter tells how to create a dazzling array of 75 different articles crafted from beads, pearls and metallic yarns, from gleaming bracelets, belts, purses and vests that look expensive but aren't to miniature animals, lamp shades and a cornucopia of beaded vegetables.
