Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It is a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children s Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network *Across the Street and Around the World* Diana Davis, Autumn Wall, 2016-07-04 Think doing missions takes a major time commitment or too much organizational effort Think again If your small group or church has talked about getting involved in missions but doesn t know quite where to start or if you are a missions leader who has run out of ideas then *Across the Street and Around the World* is for you *Across the Street and Around the World* is a practical and approachable guide to missions Inside the pages of this book are hundreds of ideas to engage you your family your small group or your church in intentional missional ministry Intended to serve as a springboard the ideas are carefully organized by the amount of time needed one hour one day one week or longer helping you determine which opportunity fits you and your group best Now there is no reason not to gather your group pick an idea and start doing missions Ready set GO **Quick Relief for Children's Ministry Leaders** Ivy Beckwith, 1998

Kids Ministry that Nourishes Jana Magruder, 2016-10-15 Kids Ministry that Nourishes will help guide preschool children and preteen leaders in churches of all shapes and sizes to champion a ministry philosophy based on three essential nutrients *Air Force Chaplains* United States. Air Force. Office of the Chief of Chaplains, Daniel B. Jorgensen, 1991 *Soul Searching* Christian Smith, Melina Lundquist Denton, 2009-04-13 Here is the definitive story of the religious and spiritual lives of contemporary American teenagers revealing that religion is indeed a significant factor in their lives This authoritative book

reports the findings of the largest and most detailed such study ever undertaken a study based on a nationwide telephone survey of teens and their parents as well as in depth face to face interviews with more than 250 of the survey respondents Winner of a Christianity Today Book Award this is a landmark account of the spiritual lives of American teenagers

Christian Herald ,1979 *Soul Searching : The Religious and Spiritual Lives of American Teenagers* Christian Smith
Dr William R Kenan Jr Professor of Sociology University of Notre Dame,Candidate University of North Carolina Melina
Lundquist Denton Ph.D, Chapel Hill USA,2005-01-25 In innumerable discussions and activities dedicated to better
understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious
attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in
religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that
religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers
feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing
how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe
What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they
abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer
these and related questions as definitively as possible It reports the findings of The National Study of Youth and Religion the
largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and
significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was
surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers
Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their
parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious
And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly
awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because
teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to
observe and assess the current state and future direction of American religion as a whole **Southern Baptist Periodical**
