FACT SHEET

Topic: In Person Voting

Voters Still Have the Option to Vote in Person

- While AB37 requires that all active registered voters receive Vote by Mail (VBM) ballots, voters still have the option of voting in person on or before Election Day.
- Voters can visit a County Elections Office beginning 29 days before the election and cast their ballots in person up to and including Election Day.
- Depending on the county, voters will have the opportunity of visiting a polling place, early voting location, or vote center.
- Refer to your county voter information guide for more specific information.

Reasons a Voter May Want to Vote in Person

- Voter did not receive or lost his/her VBM ballot and needs a replacement ballot.
- Voter missed the registration deadline or recently moved into the county and must appear in person to complete Conditional Voter Registration, and/or vote provisionally.
- Voter has moved within the county and needs to update his/her residence address to vote on all the contests he/she is entitled to vote on.
- Voter desires to use the accessible voting equipment at voting locations to cast his/her ballot independently and confidentially.

- Voter needs language assistance.
- Voter wants to personally hand in his/her VBM ballot to an election worker at a voting location.
- Voter simply prefers to vote in person.

Main Differences Between Polling Place and Vote Center Operations

- Number of locations and days of operation. In general, there are more polling places than vote centers, but vote centers are open for multiple days before Election Day.
- Some vote centers are open 10 days before the election, with all vote centers open beginning 4 days before and including Election Day.
- Polling places are typically open on Election Day only, but counties may have early voting locations open on some days leading up to the election.
- While vote centers allow a voter to go to any voting location throughout the county, technology at polling places allow counties to have all ballot styles available electronically and the ability to check on a voter's VBM ballot status.

Similarities between Polling Places and Vote Centers

- All polling places and vote centers throughout the state are open from 7am to 8pm on Election Day.
