Schim,2017-06-14 In this manual your employees will learn the basics in your restaurant kitchen It is very important that your kitchen staff learn and understand everything outlined in this restaurant kitchen manual In so many cases most cooks don t know time and temperature food safety shelf life dates basic position training and etc During the interview process you may run into an application that appears to be

awesome The applicant will say what they think you want to hear they talk the talk but can they walk the walk After you conducted a reference check you can decide if the applicant is a good fit for your restaurant The next step is kitchen training Everyone goes through kitchen training whether they are experienced or inexperienced You truly don t know if that applicant is on the up and up on their experience Typically experienced employees will learn faster than non experienced employees and therefore will require less training days Non experienced employees will require more attention TLC and quite possibly extended training days **The American School Board Journal** ,1915
