Number and Operations: Students will use decimal fractions and common fractions to represent parts of a whole. They will also understand the four arithmetic operations for whole numbers and use them in basic calculations, and apply them in problem solving situations.

M3N1 Students will further develop their understanding of whole numbers and decimals and ways of representing them.

- Identify place values from tenths through ten thousands.
- Understand the relative sizes of digits in place value notation (10 times, 100 times, 1/10 of a single digit whole number) and always to represent them including word name, standard form and expanded form.

Place Value through the ten thousands.
