## Origins of American Government

### Lesson 4 *Creating the Constitution*

#### Review Questions

**Directions:** Read each main idea. Use your text to supply the details that support or explain each main idea.

**A. Main Idea:** Although delegates to the Constitutional Convention agreed on fundamental issues, they had to work together to resolve a number of disagreements.

1. **Detail:** The delegates agreed that the new government would be limited and \_\_\_\_\_ the powers of the national government would be divided among \_\_\_\_\_ branches, and that state power should be limited.

2. **Detail:** In the \_\_\_\_\_ Plan, a strong legislature with representatives based on state population had the power to bar state laws it deemed unconstitutional, choose the executive, and appoint the judiciary.

3. **Detail:** Smaller, less populous states supported the \_\_\_\_\_ Plan, which proposed a unicameral legislature with one vote for each state, a weak executive elected by Congress, and a national judiciary appointed by the executive.

4. **Detail:** The Connecticut Compromise proposed a legislative branch with two parts, one with representation based on \_\_\_\_\_ and one giving all states \_\_\_\_\_ representation.

5. **Detail:** Debate over the presidency was settled by creating the \_\_\_\_\_ system in which each state selected electors who chose an executive to serve a four-year term.

**B. Main Idea:** Compromises temporarily settled, but did not solve, the divisive issue of slavery.

1. **Detail:** The Three-Fifths Compromise counted three-fifths of enslaved people for both \_\_\_\_\_ and \_\_\_\_\_.

**Creating America: Beginnings Through Reconstruction** ,2002-05-15      **Creating America's Future** James T. Ziegenfuss,2008 American citizens assume that the future for this country will be a future much like the past beautiful in many respects This optimistic view is now countered by those who see a country in decay struggling to address problems in health care education the environment international affairs and other sectors This book calls on citizens and their leaders to build the future they most desire The future should not happen to citizens but instead be created by citizens In part one this book examines the reasons for future building and the processes for doing so through interactive public sector private sector dialogue and by applying methods of continuous improvement reengineering and visioning In part two Ziegenfuss presents scenarios of America s future that include the country s points of decay trends vision and strategies in each of the parts of America meaning energy health care transportation business housing and urban development education arts and entertainment science environment agriculture international affairs and defense and law and justice Public and private citizens especially students teachers and planners are encouraged to lead the debates with hope and vision defining the future they most desire Book jacket      *Creating America* ,1995 Each unit includes guided reading vocabulary building skillbuilder practice geography applications primary sources literature selections reteaching activities enrichment activities for gifted and talented students history workshop resources and answer key      **American History - Teacher Guide** James P. Stobaugh,2012-03-01 This convenient teacher s guide is all a parent or teacher needs to easily grade the 10th grade student assignments for American History Observations Assessments from Early Settlement to Today Assignments with answers learning objectives grading criteria and short essay questions are included This course is designed for a student to practice independent learning The guide will assist teachers by offering 34 chapters for 34 weeks of study Chapters include 5 lessons taking approximately 30 minutes each The final lesson of the week is an exam covering the week s instruction Student questions are organized in the back for easy use in testing and review Teachers parents or students can grade assignments daily or weekly As the teacher you will enjoy partnering with your student as he or she processes American history while developing or strengthening a Christian world view      *Creating America, Grades 6-8* McDougal Littell,2000

*Study Guide for Problems in American History* Lena A. Ely,Edith King,Martin James Stormzand,1926      *The People Have Spoken (and They Are Wrong)* David Harsanyi,2014-03-10 Democracy may be one of the most admired ideas ever concocted but what if it s also one of the most harebrained After many years of writing about democracy for a living David Harsanyi has concluded that it s the most overrated overused and misunderstood idea in political life The less we have of it the better Democracy is not synonymous with freedom It is not the opposite of tyranny In fact the Founding Fathers knew that democracy can lead to tyranny That s why they built so many safeguards against it into the Constitution Democracy Harsanyi argues has made our government irrational irresponsible and invasive It has left the American people with only two

options domination by the majority or a government that can't possibly work. The modern age has imbued democracy with the mystique of infallibility. But Harsanyi reminds us that the vast majority of political philosophers including the founders have thought that responsible limited government based on direct majority rule over a large let alone continental scale was a practical impossibility. In *The People Have Spoken* you'll learn why the Framers of our Constitution were intent on establishing a republic not a democracy. How democracy undermines self government. How shockingly out of touch with reality most voters really are. Why democracy is an economic wrecking ball and an invitation to a politics of envy and corruption. How the great political philosophers from Plato and Aristotle to Burke and Tocqueville predicted with uncanny accuracy that democracy could lead to tyranny. Harsanyi warns that if we don't recover the Founders' republican vision, democracy might very well spell the end of American liberty and prosperity.

*Americas: Study Guide* Bernadette M. Orr, Bárbara Cruz, 1993 The study guide bridges all course components and lists the learning objectives of each of the course units. Each chapter corresponds directly to one of the 13 course units. The first two chapters provide essential background on the series themes including general history and geography. The succeeding 10 chapters follow the progression of the television series expanding on the material covered in the programs and providing cross references for textbook assignments. The final unit sums up the main points presented in the television course and reviews students' knowledge. Each chapter of the study guide begins with a brief unit summary followed by a list of critical thinking questions that address the learning objectives and an overview that integrates the program with the readings. In addition each study guide chapter includes a glossary of key English, Spanish and Portuguese words with pronunciations, learning objectives, self test questions and references to books, films and other activities.

### **Creating America Guided Answers Unit 2 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Creating America Guided Answers Unit 2 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Creating America Guided Answers Unit 2 has opened up a world of possibilities. Downloading Creating America Guided Answers Unit 2 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Creating America Guided Answers Unit 2 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Creating America Guided Answers Unit 2. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Creating America Guided Answers Unit 2. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Creating America Guided Answers Unit 2, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Creating America Guided Answers Unit 2 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
