Creative Fashion Design With Illustrator:

Creative Fashion Designer with Illustrator Kevin Tallon, 2006-09-28 In today's world of fashion companies are looking for creative people who can communicate their designs quickly and neatly. The challenge faced by designers using computers is to create, produce and deliver ideas on a tight schedule while retaining their creativity. This book is one of the first to show both students and professionals in the fashion industry how to use the Adobe Illustrator vector based design package to make technical drawings of garments in a fast and precise way, building a library of trims and design details and how to visualize and render their design ideas. The book's structure is to start at the basics with clear step by step instructions on creating flat drawings of simple items such as vests, skirts and shirts and gradually move on to more difficult tasks once the basics have been mastered. Once the reader has learned all the techniques in the book they will be able to produce in printed and digital format all the common items used by design studios to communicate ideas such as mood boards, illustrations, garment range sketches, design details and technical design sheets. Adobe Illustrator is the most established and commonly used application in the fashion industry. The book covers both Mac and PC platforms and the version of Illustrator used, version 10, is the most established and latest major upgrade.

Creative Fashion Design with Illustrator Kevin Tallon, 2006 [Creative Fashion Illustration Workbook for Future Fashion Designers. Book 1](#) Irina V. Ivanova, 2022-05-10 Fashion illustration workbook for future fashion designers is a practical activity book for creative teenagers interested in fashion and fashion design. The book includes drawing prompts and illustrations in pre-colored lines designed to render and color. The Fashion illustration workbook includes 10 projects united by style but open for creative interpretation. What makes this book different, the designs included in the book are real life professional standards. The book is fun and easy to follow, however it holds the level of professional fashion illustration and is excellent for developing your first fashion portfolio. Learn professional level of fashion drawing skills while having fun. Creative Fashion Illustration Workbook includes inspirational illustrations for inspiration. How to use the book: Use pencils, markers, crayons, gel pens or a combination of coloring art media to color this book. To reduce the smearing of your drawing, keep a clean sheet of paper under your hand. Place an extra sheet of paper under the page you are coloring to prevent ink from bleeding through or avoid marks and grooves underneath the coloring page. Like what you accomplished? Frame it! Sprawl your fashion illustration gallery or give it as a creative, unique gift. What is in the book: 10 coloring pages, 20 looks to color and render, step by step drawing demos to follow, color creatively with design inspirations from the book. Who should use the book: creative teenagers who are thinking of a fashion career, beginners who are interested in fashion drawing as a fun and inspirational activity, fashionistas of all ages who want to make a fashion statement in the form of art and fashion drawing. The book is a creation of fashion designer and illustrator Irina V. Ivanova, author of the Fashion Croquis Books and Fashion Croquis Sketchbooks. *Creative Fashion Illustration Workbook for Future Fashion Designers. Book 2* Irina V.
