Creative Problem Solver's Handbook for Negotiators and Mediators: A guide for practitioners, academics, and students of creative problem solving John W. Cooley, 2005. The Handbook takes a pracademic approach to creative problem solving in negotiation and mediation. Pracademics used to describe the art and science of translating the theory of creative problem solving into practice and conversely converting the practice of creative problem solving into theory. Volume Two of the Handbook is focused on specific creative problem solving techniques and tools that negotiation mediation practitioners across the country have found to be effective in resolving disputes or making deals. A highly useful feature of Volume Two is its multiple indexing to facilitate identifying techniques or tools appropriate for the problem solving task. Publisher: **Quick Frozen Foods**, 1962.
