Are the wildlife laws imposed strongly enough to fight poaching in Kenya? Ali Satar, 2019-06-19 Bachelor Thesis from the year 2019 in the subject Law Penology course L L B language English abstract Kenya has set up a far reaching administrative system that criminalizes wildlife poaching Punishments for infringement of the substantive laws and required legal techniques comprise of fines imprisonment and relinquishment of tools used to perpetuate a wrongdoing While certain parts of implementing the substantive laws are shared over a few government foundations it is the Kenya Wildlife Service KWS an organization with full prosecutorial powers that

bears the essential duty regarding wildlife The issue here arises on whether or not the new laws imposed are strong enough to fight poaching or whether the laws should be repealed or replaced again The research will contain specific cases and statutes of the law regarding wildlife in Kenya and if they are strong enough to fight poaching and wildlife trade in Kenya Further the research shall converse and contrast the current wildlife act and the previous one to see if the laws amended are of any good and if so if they reduce poaching and by how much If not it will be discussed whether any new laws can be proposed to do so Kenya recently overhauled of the country s wildlife regulatory regime In December 2013 Kenya enacted the Wildlife Conservation and Management Act WCMA 2013 The WCMA repealed and replaced the Wildlife Conservation and Management Act 1976 The World Wildlife Fund WWF helped coordinate the input of environmental civil society organization views after the Wildlife Conservation and Management Act 2013 was passed This law was a summit of endeavors spreading over more than 15 years to get a far reaching and comprehensive enactment set up Child Protection in the Church

Michael A. Guerzoni,2021-07-05 Child Protection in the Church investigates whether amidst publicised promises of change from church institutions and the introduction of safe church policies and procedures reform is actually occurring within Christian churches towards safeguarding using a case study of the Anglican Diocese of Tasmania Australia Through the use of interviews and document analysis the book provides an insight into the attitudes and practices of ordinary clergypersons towards child sexual abuse and safeguarding to understand how safe ministry is understood and executed in everyday life in the Church and to what extent it aligns with policy requirements and criminological best practice It adopts organisational culture theory the perspective used to explain how clerical culture enabled and concealed child sexual abuse in the Church to the present in order to understand how clerical attitudes cognition and practice conduct today is being shaped by some of the same negative cultures Underlying these cultures is misunderstandings of abuse causation which are shown here to negatively shape clerical practice and at times compromise policy and procedural requirements Providing an insight into the lived reality of safeguarding within churches and highlighting the ongoing complexities of safe ministry the book is a useful companion to students academics and practitioners of child protection and organisational studies alongside clergy church leaders and those training for the ministry *Criminology Study Guide: Explaining Crime and Its Context* ,2007-04
