**How to Write the Best Book** Jesper Schmidt,Autumn M. Birt,2022-03-01 These three

bestselling guidebooks are the last ones you'll ever need. Containing a step by step system designed to turn simple ideas into rich stories you'll learn everything there is to know about planning and outlining your best novel. From writing mentors and podcast hosts Autumn Birt and Jesper Schmidt comes nearly 700 pages of writing advice. And even better this box set is heavily discounted compared to buying these three bestsellers individually. Included in this box set: *Story Idea: A Method to Develop a Book Idea*. Simple ideas turned into rich stories. This short, easy to use guidebook tells you exactly how to turn a fleeting story idea into a solid premise strong enough to carry an entire novel. *Plotting a Novel*. Developing Story Ideas will teach you how to get more story ideas when your creative well seems to have run dry. How to use mind mapping to decide which story idea is the best one. How to develop the premise the starting point for any novel. Included within these pages is a bonus chapter on how to develop a premise for a non-fiction book. Also you'll be able to download a list of 100 writing prompts to get you started. Get rid of writer's block forever. It's time to reclaim your creativity. *Plot Development: An Outlining Method for Fiction*. Do you want to write a stronger story? Would you like to worry less about plot holes and weak characters? Some writers shy away from outlining believing it their worst nightmare and state that time is better spent writing a novel than planning it. Then there are those who've tried plotting perhaps more than a few times only to get lost in the weeds and overwhelmed by frustration. Stories that work all follow a certain structure you just need to learn how to apply it. *Plot Development* is a step by step guide which will teach you how to decide on the number of characters to include in your novel. How to make each character come alive with their own wants and needs. How to choose between different types of outlines. How to develop engaging events and where to place them within your story. How to enhance your plot with potent subplots. How to build chapters designed to deliver an immersing experience for the reader. How to review and edit your outline to make it even better. How to enrich your opening and closing chapters. Included are seven bonus chapters covering essential topics like theme, beta readers, short story plotting and much more. Additionally you'll be able to download an outline template to provide an in depth guide for your plotting. No more getting lost in those weeds. *Plot Development: Step by Step Exercises for Planning Your Book*. Learn the step by step system for outlining a successful novel. The two bestselling authors behind the previous guidebook *Plot Development* which showed writers how to outline an entire novel now bring you this workbook full of practical exercises to plan your novel. The creation of your cast of characters. The development of the protagonist, antagonist, POV characters and minor characters. The construction of the entire outline from start to finish. The composing of subplots to enhance your story. The structure of a powerful chapter and how to build it. The editing process to make your outline stronger. The approach to enrich your opening and closing chapters. *Plot Development: Step by Step* is jam packed with precise questions and thoughtful exercises designed to give birth to a phenomenal novel.
