Civics Prentice Hall Edition:

Prentice Hall, 2011 *Making Civics Count* David E. Campbell, Meira Levinson, Frederick M. Hess, 2012-10-01 By nearly every measure Americans are less engaged in their communities and political activity than generations past So write the editors of this volume who survey the current practices and history of citizenship education in the United States They argue that the current period of creative destruction when schools are closing and opening in response to reform mandates is an ideal time to take an in depth look at how successful strategies and programs promote civic education and good citizenship Making Civics Count offers research based insights into what diverse students and teachers know and do as civic actors and proposes a blueprint for civic education for a new generation that is both practical and visionary Civic Engagement and the Baby Boomer Generation Laura Wilson, 2012-10-12 Discover a vital source of volunteers for your organization By the year 2020 there will be 65 million people aged 65 and over living in the United States a new generation of active older adults expecting to use the expertise experience and life skills they ve gained to make valuable contributions to society in their retirement years Civic Engagement and the Baby Boomer Generation presents the latest research findings and evaluation studies that help promote a thorough understanding of the programs policies and civic opportunities available to people aged 50 and older This unique book is an essential resource for nonprofit organizations seeking to meet their needs with a generation of volunteers eager to explore new options work in new capacities and continue lifelong learning More than any previous generation baby boomers born between 1946 and 1964 are defying stereotypes about aging while seeking new and meaningful lifestyles Civic Engagement and the Baby Boomer Generation defines an agenda for future policy research and practice to help reverse the well documented decline in civic engagement in the United States providing older Americans with opportunities to have an impact in their local national and global communities The book s contributors focus attention on the value of civic engagement in creating vital social capital and social networks Civic Engagement and the Baby Boomer Generation examines current issues and trends in civic engagement results from senior corps examinations expanding youth service concepts lifelong learning institutes the relationship between civic engagement and leadership issues in elder service and volunteerism outcomes of a national agenda setting meeting intergenerational relations and civic engagement Civic Engagement and the Baby Boomer Generation is an important source of information for anyone working with nonprofit government and corporate organizations concerned with public policy community affairs volunteerism research practice and education **Civics** Prentice Hall (School Division), The Palgrave Handbook of Volunteering, Civic Participation, and Nonprofit Associations David Horton Smith, Robert A. Stebbins, Jurgen Grotz, 2017-01-18 Written by over 200 leading experts from over seventy countries this handbook provides a comprehensive state of the art overview of the latest theory and research on volunteering civic participation and nonprofit membership associations The first handbook on the subject to be truly multinational and interdisciplinary in its authorship it represents a major milestone for the

discipline Each chapter follows a rigorous theoretical structure examining definitions historical background key analytical issues usable knowledge and future trends and required research The nine parts of the handbook cover the historical and conceptual background of the discipline special types of volunteering the major activity areas of volunteering and associations influences on volunteering and association participation the internal structures of associations the internal processes of associations the external environments of associations the scope and impacts of volunteering and associations and conclusions and future prospects This handbook provides an essential reference work for third sector research and practice including a valuable glossary of terms defining over eighty key concepts Sponsored by the International Council of Voluntarism Civil Society and Social Economy Researcher Associations ICSERA www.icsera.org it will appeal to scholars policymakers and practitioners and helps to define the emergent academic discipline of voluntaristics

Teaching Civic Engagement Forrest Clingerman, Reid B. Locklin, 2017-08 Teaching Civic Engagement offers a new conceptual model an examination of theoretical questions and concerns and a variety of concrete teaching strategies to assist faculty in engaging questions of civic belonging and social activism in religion classrooms The book explores the civic relevance of the academic study of religion

Civic Longing Carrie Hyde, 2018-01-11 No Constitutional definition of citizenship existed until the 14th Amendment in 1868 Carrie Hyde looks at the period between the Revolution and the Civil War when the cultural and juridical meaning of citizenship was still up for grabs She recovers numerous speculative traditions that made and remade citizenship s meaning in this early period
