Claimed Unchartered Territory English Edition:

, Public Piers Plowman C. David Benson, 2010-11-01 Public Piers Plowman is divided into two parts The first is an extended essay on what Benson calls the Langland myth He traces the evolution of Piers scholarship and demonstrates the limitations of treating Piers as a direct expression of the poet's experience and intellectual views In the second part Benson offers an alternative history for the poem Benson approaches it from a broader public context using representative examples from vernacular writing parish art and civic practices He argues that Piers reached a wide contemporary audience because far from being an account only of the author's own life and opinions it was securely rooted in the common culture of its time and place Jacket Lloyd's Maritime and Commercial Law Quarterly Lloyd's (Firm), 1997 *Censorship and Hollywood's Hispanic Image* Alfred Richard, 1993-04-22 Between 1936 and 1955 Hollywood significantly changed its portrayal of Hispanics in motion pictures This change resulted from the demands of the Production Code Administration which required film makers to eliminate the more offensive stereotypical Hispanic images This filmography chronicles all of the Hispanic related films released during this period The volume includes entries for nearly four thousand films The entries are arranged in chapters with each chapter devoted to a single year Within the chapters the entries are listed alphabetically by film title Each entry includes production information an annotation detailing the film's Hispanic significance and references to additional materials The volume concludes with an alphabetical index of film titles an index of actors and actresses an index of place names a general subject index and an index of songs Film historians and scholars of Hispanic culture will find this work to be an indispensable reference tool **House documents**, 1886 1812-1821 John Bach McMaster, 1917 A History of the People of the United States from the Revolution to the Civil War John Bach McMaster, 1923 A History of the People of the United States, from the Revolution to the Civil War: 1812-1821 ... 1924 John Bach McMaster, 1924 *The New England States* William T.
