Digital Creativity 32 Integrated Series In Information Systems:

Social Computing: Concepts, Methodologies, Tools, and Applications Dasgupta, Subhasish, 2009-11-30 Uncovers the growing and expanding phenomenon of human behavior social constructs and communication in online environments

Digital Creativity Kun Chang Lee, 2012-12-02 As the use of digital technology has grown so necessarily has the body of research into its effects at the personal group and organizational levels but there is no one book that looks at how digital technology has specifically influenced creativity Digital Creativity Individuals Groups and Organizations discusses all spectrums of influence that digital technologies have on creativity from the individual team and organization level This book offers a new kind of creativity model encompassing all three levels of creativity It combines each level into a unified creativity framework in which organizations regardless of their industry types could benefit in reengineering their business processes as well as strategies For this purpose the book considers various factors that would affect creativity individuals digital efficacy heterogeneity among members i e age gender races tenure education and culture etc CMC Computer Mediated Communication task complexity exploitation exploration culture organizational learning capability and knowledge networks among members This book introduces a theorized and systematic glimpse into the exciting realm of digital creativity It is organized with contents starting from individuals to teams and ultimately to organizations each with various techniques and cases Each chapter shows how individuals teams and organizations can become more creative through use of digital technologies

Collection Development for a New Century in the School Library Media Center W. Bernard Lukenbill, 2002-05-30 Provides an overview of the issues and problems involved in collection development for the school library media center and offers strategies for creating collection development policies handling censorship and balancing print and nonprint resources

Logistical Excellence Donald J. Bowersox, 1992 Benefit from the practices of the best logistics managers One of the nation's top authorities on logistics management presents a focused interpretation of research findings to help managers improve logistical competency within their organizations Zeroing in on the best practices of successful logistic managers and well supported by statistical evidence this handbook provides a sequential model as well as extensive coverage of Electronic Data Interchange in the logistics process You'll find out why logistics must play an increasingly critical role in overall corporate strategy in the coming years and why its managers must learn to better manage change Special emphasis is placed

on the development of strategic alliances to increase corporate speed and quality Throughout the eight chapters an action oriented case dialogue facilitates interest and ease of reading **PC World** ,2002 **Library Literature & Information Science** ,2008 An index to library and information science literature **Japanese Technical Abstracts** ,1987
