

An isometric illustration of a constructed environment. At the top, a large grey bridge with multiple arches spans across the scene, with a blue train traveling on it. To the left, a yellow crane is lifting a long metal beam. Below the bridge, a white rectangular box contains the title and subtitle. The landscape below is a complex of various structures: a factory with two tall smokestacks, a power plant with a cooling tower, a construction site with cranes and a yellow excavator, a body of water with a red boat, a road with a truck, and a large grey dam-like structure. In the bottom left, there is a small house with a red roof. The entire scene is set against a light blue sky with white clouds.
