

Character Sketch

- Recall the text and identify the characters.
- Describe the role and significance of the character in the story.
- Describe the character's physique/appearance.
- Describe the personality traits like manners, behaviour, values, etc. of the character.
- Write about the character's relationship with other characters in the story.
- Quote details from the story to substantiate your views.

Q 1: Martha's grandfather is depicted as a very strong and righteous person in the story 'The Scholarship Jacket'. Attempt a character sketch of her grandfather.

Martha's grandfather is probably the most important character in the story. In our mind he will be the winner once we finish reading the full story. His words "if you pay for it, it is not a scholarship jacket" made even the principal change his decision. He is somewhat a rich farmer owning a two-hundred acre ranch. He is seen in the story working in his field always. He is a sort of reserved type but a man of strong determination. Though he is uneducated he believes it is injustice to pay for a deserving award. So he strongly stands with his belief even when his granddaughter cries. Finally, his words win and Martha gets the award. When he hears both sad and happy news of Martha, he expresses almost the same reaction. When she tells him about her winning the jacket, he still doesn't express his rejoice through words. He just gives her a smile and a pat on her shoulder. As the proverb 'still waters run deep', some people will not show overtly their deep love and affection. Martha's grandfather is a man of this sort.

Clemens Wendtner

Character Sketch Study Examples:

The Character Sketch as Philosophy Katie Ebner-Landy, 2025-10-21 An insightful exploration of the moral and political power of the character sketch in early modern Europe and the implications for our own relationship to this genre today In the fourth century BCE the philosopher Theophrastus a student of Aristotle composed thirty character sketches depicting ordinary Athenian vices idle chatter bad timing cowardice shamelessness and superstition among others Centuries later this enigmatic text known as the Characters was feverishly translated and imitated by early modern Europeans convinced of its moral and political importance Tracing this resurgence of the Theophrastan tradition Katie Ebner Landy sheds new light on the role of the character sketch as a philosophical tool Ebner Landy shows that the original Characters is best understood as a work of political philosophy designed to urge Athenians toward civic virtue It is this quality that made the text so resonant in early modern Europe where the character sketch again served as a means of encouraging ethical behavior and cultivating political knowledge During the English Civil War for example the character sketch was used to diagnose new political types such as the Roundhead and the Cavalier By the era of the Enlightenment however moral philosophy's long association with the character sketch began to break down A different approach to philosophy took hold one that spurned literary descriptions of manners mores and types and instead emphasized the principles underlying knowledge itself This shift in turn helped to drive a broader separation between literature and philosophy A revealing intellectual history The Character Sketch as Philosophy also encourages us to consider what literary description might contribute to ethics and political thought today and to think critically about the kinds of character sketches on which we still rely from the snob to the mansplainer

Studies in Rhetoric and Public Speaking in Honor of James Albert Winans Alexander Magnus Drummond, 1925

State Manual of the Courses of Study for the High Schools of Oregon ... Oregon. Office of Superintendent of Public Instruction, 1925

A Cosmography of Man Theresa Schön, 2020-01-20 Designed to reform contemporary British society Joseph Addison and Richard Steele's *The Tatler* 1709 1711 and *The Spectator* 1711 1712 1714 rely heavily on the representation of contemporary manners In shaping such behavioural images the authors made use of the satirical character sketch Their character sketches re create social interactions between fictionalised representatives of moral types of men and women located in contemporary London This

study examines how Addison and Steele employed the character sketch to create a cosmography of wo man by actively engaging with the observational approaches of contemporary naturalists Addison and Steele adapted distinctly empirical methods e g induction and deduction note taking repeated and collective observation and appropriated the medico legal case study to communicate and disseminate socio moral knowledge At the same time the character sketch served them as a means to establish a taxonomic order of the socio moral knowledge conveyed in the texts The study sheds new light on the literary techniques and the methodological frameworks of two journals essentially associated with the British and the European Enlightenment
