## Who Was Johannes Vermeer?

Museums all across the world showcase artwork created by a wide range of artists, sculptors, and painters. Anyone who studies art can often see similarities between the styles of various artists. An artist's style is essential to his or her work; it acts similarly to a brand in that it separates one artist from another. Johannes Vermeer, a Dutch painter born in 1632 in the Netherlands, has a distinct style. During his lifetime, Vermeer created approximately 35 paintings, all of which are masterpieces that reflect his unique artistic approach.
