

UNIT-8

Aldehydes, Ketones And Carboxylic Acid

Marks = 7

Q.1 Describe the method for the preparation of Acetone in laboratory and give the chemical equation with labeled diagram.

Ans **Laboratory Preparation** – In laboratory, acetone is prepared by the dry distillation of dry calcium acetate.

Fig. Preparation of Acetone in the laboratory

Procedure – Fused calcium acetate mixed with little iron filings is taken in a retort fitted with a water condenser and a receiver. Iron filings help in the uniform distribution of heat. The mixture in the retort is then heated very carefully, at first to avoid cracking, moving the flame all the while. Finally, heat strongly with full flame until all the liquid has come over. The distillate is shaken with a saturated solution of sodium bisulphate when colourless crystals are formed. These are filtered and distilled with saturated solution of sodium carbonate. The aqueous solution of acetone is dried over anhydrous CaCl_2 and redistilled to obtain pure acetone.

Uses – (i) In the formation of synthetic rubber.

(ii) In the formation of artificial perfume.

(iii) In the formation of acetic anhydride which is used for preparing artificial and different types of plastics.

(iv) As a solvent for cellulose acetate.

Q. 2 Explain the following reactions.

(i) Rosenmund's reaction (09,12,22)

(ii) Gattermann aldehyde synthesis

(vii) Etard reaction (20,23)

(ii) Stephen reaction (19)

(iv) Gattermann-Koch synthesis (09,12,20)

Todd Finley

Chapterr 8 Everfi:

Classroom Cheat Codes Todd Finley, 2025-12-22 Transform your teaching today with creative and tactical strategies Teaching can be exhilarating when creativity innovation and wide open enthusiasm are cranked up to the max In Classroom Cheat Codes Todd Finley offers visually engaging and practical strategies designed to energize your instructional approach What s Inside Inspiring Ideas Over 1 200 awesome instructional tips each accompanied by a unique graphic PD PLC Ready Design Each chapter includes previews of key strategies a unique mnemonic device reflection questions and a checklist of activities to try Evidence Based Insights to Common Problems Experts are cited for solutions to Lesson Starters How to Increase Participation in Whole Class Discussions What to Do When Kids Refuse to Do the Work How to Help Students with Executive Function Issues and much more By the end of this toolbox you ll not only have ideas to try tomorrow but also the confidence to create dynamic student centered learning environments that foster engagement deeper understanding and unforgettable classroom experiences for everyone

Regulatory Hacking Evan Burfield, J.D. Harrison, 2018-06-19 Named by Inc magazine as one of the 10 Best Business Books of 2018 Every startup wants to change the world But the ones that truly make an impact know something the others don t how to make government and regulation work for them As startups use technology to shape the way we live work and learn they re taking on challenges in sectors like healthcare infrastructure and education where failure is far more consequential than a humorous chat with Siri or the wrong package on your doorstep These startups inevitably have to face governments responsible for protecting citizens through regulation Love it or hate it we re entering the next era of the digital revolution the Regulatory Era The big winners in this era in terms of both impact and financial return will need skills they won t teach you in business school or most startup incubators how to scale a business in an industry deeply intertwined with government Here for the first time is the playbook on how to win the regulatory era Regulatory hacking doesn t mean cutting through red tape it s really about finding a creative strategic approach to navigating complex markets Evan Burfield is the cofounder of 1776 a Washington DC based venture capital firm and incubator specializing in regulated industries Burfield has coached startups on how to understand adapt to and influence government regulation Now in Regulatory Hacking he draws on that expertise and real startup success stories to show you how to do the same For instance you ll learn how AirBnB rallied a grassroots movement to vote No on San Francisco s Prop F which would have restricted its business in the city HopSkipDrive overcame safety concerns about its kids ridesharing service by working with state government to build trust into its platform 23andMe survived the FDA s order to stop selling its genetic testing kits by building trusted relationships with scientists who could influence the federal regulatory community Through fascinating case studies and interviews with startup founders Burfield shows you how to build a compelling narrative for your startup use it to build a grassroots movement to impact regulation and develop influence to overcome entrenched relationships between incumbents and governments These are just some of the tools in the book that you ll need

to win the next frontier of innovation **Addressing Violence Against Women on College Campuses** Catherine Kaukinen,Michelle Miller,Rachael A. Powers,2017-07 Violence against women on college campuses has remained underreported and often under addressed by both campus security and local law enforcement as well as campus administrators The researchers practitioners and activists who contribute to this pertinent volume Addressing Violence Against Women on College Campuses examine the extent nature dynamic and contexts of violence against women at institutions of higher education This book is designed to facilitate an ongoing discussion and provide direction on how best to prevent and investigate violence against women and intervene to assist victims while reducing the impact of these crimes Chapters detail the necessary changes and implications that are part of Title IX and other federal legislation and initiatives as well as the effect these changes have had for higher education actors including campus administrators victim advocates and student activists The contributors also explore the importance of campus efforts to estimate the extent of violence against women educating young men and women on the nature of sexual and dating violence and shifting efforts to both make offenders accountable for their crimes and prompt all bystanders to act Addressing Violence Against Women on College Campuses urgently argues to make violence prevention is not separate from but rather an integral part of the student experience Contributors include Antonia Abbey Joanne Belknap Ava Blustein Stephanie Bonnes Alesha Cameron Sarah L Cook Walter S DeKeseredy Helen Eigenberg Kate Fox Christopher P Krebs Jennifer Leili Christine Lindquist Sarah McMahon Caitlyn Meade Christine Mouton Matt R Nobles Callie Marie Rennison Meredith M Smith Carmen Suarez and the editors

The Theory and Practice of the East Asian Library Hong Cheng,2023-01-09 Presenting groundbreaking research on the East Asian library this book provides theoretical exploration on the subject through a passive model of glocalism It details various aspects of the field and comprehensively covers the progress and conflicts in practice The issues and perspectives raised here will lead to a rethinking of the field and its role in global interactivity with East Asia The book will also provide library guidance to the scholars in East Asian studies and related disciplines offering support to East Asian resources and services that significantly affect scholarly activities *Sustainable Leadership* Clarke Murphy,2022-09-22 Wall Street Journal and Publishers Weekly Bestseller Deliver Extraordinary Sustainability Results for Your Business In Sustainable Leadership Lessons of Vision Courage and Grit from the CEOs Who Dared to Build a Better World accomplished leadership expert Clarke Murphy shares a can t miss toolkit for delivering remarkable sustainability results You ll learn what it takes to become a Sustainable Leader and how you can turn your sustainability promises into tangible action on the ground Drawing on the real life stories of Sustainable Leaders from across the world Murphy proves that sustainability success is within reach for every business executive He debunks the myth that sustainability is at odds with profitability and reveals the inside track on how to make sustainability your new growth strategy You ll find A step by step framework on how to build your Sustainable Leadership legacy Pragmatic examples of balancing the demands of shareholders and other stakeholders

Lessons from CEOs on how they stayed the course in the face of setbacks Strategies to prepare your up and coming executives to carry the sustainability mantle and help you hit your short and long term sustainability goals An essential blueprint for CEOs boards founders entrepreneurs and other business executives Sustainable Leadership also deserves a place on the bookshelves of Chief Sustainability Officers and ESG professionals looking for immediately actionable approaches to increase the long term viability of their organizations

The Business of Race: How to Create and Sustain an Antiracist Workplace—And Why it's Actually Good for Business Margaret H. Greenberg, Gina Greenlee, 2021-08-31 This book is not written specifically for White readers Black readers readers who are Latino Asian or other specific racial or ethnic groups If you are a business leader individual contributor Human Resources or DEI Diversity Equity and Inclusion professional educator coach or consultant then *The Business of Race* is for you In the business world incident driven company position statements on Black Lives Matter or Stop Asian Hate are not proxies for the heavy lifting that will penetrate and sustain a shift in the status quo Advancing racial equity to disrupt institutional racism requires more than a company wide memo or a tab on a corporate website Businesses often water down negate or skirt this reality by touting successes from its cousin diversity However you cannot advance a strategy you do not name The general term diversity enables that dynamic It s impossible to create an antiracist workplace when we avoid speaking the words race and racism Co authored by two business women one Black and one White *The Business of Race* can help us all prepare for this transformative work Rather than diving headfirst with well meaning but ineffectual efforts we must first ready our organizations The authors outline both the inner work raising our own individual awareness and creating new ways of thinking and being and the outer work organizations must undertake This includes honest and often uncomfortable discussions And carrying out as core to operational business strategy and performance policies and practices to reimagine a racially equitable workplace Whether you re a rising entrepreneur a supervisor or manager a leader of a large multinational company or a frontline employee you ll find concrete actions in this essential guide Why Racial Diversity Why Now A Competitive Advantage Commitment Specificity and the Science of Small Wins Uncomfortable Truths and Fearless Leaders Look for Talent Where Others Are Not No Secrets in Pay and Promotions Close the Wage Gap Discover Your E and Measure its Impact Woven throughout *The Business of Race* are interviews with dozens of business professionals across myriad industries fields and organizational levels Their stories bring voice to the challenges and opportunities businesses face every day and provide readers with the courage and tools to openly honestly and effectively address the deeply complex emotional and intimidating dynamic of race and racism in the workplace
